

# CATALOGUE MEDICAL BOOKS

**AUGUST  
2023**

**ARYA PUBLICATIONS  
ARYA PUBLISHING COMPANY**

## A Word from Publisher to our Readers

We express gratitude to all our readers and patrons for their valuable applause and appreciation towards our endeavours in bringing out high-quality books that match international standards. We are grateful for providing us the opportunity to serve you and for making us one of the leading publishers of medical books in India.

The present era is marked by constant medical publishing has been put on its toes to meet new challenges. Our aim is to meet those challenges and come up to the expectations of our readers by publishing books of the highest standards. With the passage of time, we have improved and strengthened our catalogue of medical books by working with highly qualified and well-known author, editors, illustrators and graphic designers.

It has been our constant effort to bring out books based on the latest syllabi/curriculum for undergraduate and postgraduate medical students. The books are designed and developed, keeping in mind the requirements of students as well as the medical fraternity, with equal emphasis on modern pedagogical guidelines and approach.

As always, we look forward to your valuable suggestions and guidance to streamline our publishing programmes further.

We assure you of our best services.

**Dr. Vipin Gupta**

**Arnav Gupta**

### Please Note

- ❖ The correct prices of all the publications are printed on the books. Any revised price indicated by a rubber stamp, sticker or any other means is incorrect and should not be accepted.
- ❖ Printed prices on books are correct and final.
- ❖ Prices are subject to change without notice.

## Books for MBBS/MD/DNB

Sl. No.	Name of the Book	Author	Price	Page No.
1.	Textbook of Physiology (Volumes I and II) (10th Edition)	<i>A K Jain</i>	₹ 2095.00	5
2.	Fundamentals of Clinical Communication	<i>Indu Arneja, Pawanindra Lal</i>	₹ 300.00	5
3.	Manual of Practical Physiology for MBBS (7th Edition)	<i>A K Jain</i>	₹ 850.00	5
4.	Textbook of Practical Physiology for MBBS (2nd Edition)	<i>A K Jain</i>	₹ 650.00	6
5.	Human Physiology in Nutshell (6th Edition)	<i>A K Jain</i>	₹ 495.00	6
6.	Essentials of MD/DNB Physiology Practical Examination	<i>A K Jain</i>	₹ 750.00	6
7.	Textbook of Medical Biochemistry (3rd Edition)	<i>S K Gupta, Binita Goswami</i>	₹ 1495.00	6
8.	Biochemistry in Nutshell (2nd Edition)	<i>S K Gupta</i>	₹ 650.00	7
9.	Manual of Practical Biochemistry for MBBS (5th Edition)	<i>S K Gupta, Veena Singh Ghalaut, Anju Jain, Binita Goswami</i>	₹ 595.00	7
10.	Immunology for MBBS	<i>S K Gupta, Binita Goswami</i>	₹ 350.00	7
11.	Concepts and Cases in Biochemistry	<i>Binita Goswami, Maheswari K</i>	₹ 450.00	7
12.	Essentials of Immunology (2nd Edition)	<i>S K Gupta</i>	₹ 995.00	8
13.	Anatomy in Nutshell	<i>M K Anand</i>	₹ 650.00	8
14.	Complete Human Histology (Textbook cum Workbook)	<i>Renu Prasad</i>	₹ 400.00	8
15.	Histology Workbook	<i>Renu Chauhan</i>	₹ 350.00	8
16.	Complete Human Osteology	<i>Renu Prasad</i>	₹ 450.00	8
17.	Essentials of Genetics (2nd Edition)	<i>Renu Chauhan</i>	₹ 250.00	9
18.	Surface and Radiological Anatomy — A Simplified Approach	<i>Renu Chauhan, Manpreet Gambhir</i>	₹ 250.00	9
19.	Complete Microbiology for MBBS	<i>C P Baveja, V Baveja</i>	₹ 1495.00	9
20.	Textbook of Microbiology (7th Edition)	<i>C P Baveja</i>	₹ 1395.00	9
21.	Practical Microbiology for MBBS (5th Edition)	<i>C P Baveja</i>	₹ 495.00	9
22.	Essentials of MD/DNB Microbiology Practical Examination	<i>C P Baveja, V Baveja</i>	₹ 550.00	10
23.	Parasitology (5th Edition)	<i>C P Baveja, V Baveja</i>	₹ 395.00	10
24.	Microbiology in Nutshell (4th Edition)	<i>C P Baveja, V Baveja</i>	₹ 795.00	10
25.	Textbook of Pathology for MBBS (Volumes I and II) (2nd Edition-Modified)	<i>A K Mandal, Shramana Choudhury</i>	₹ 2200.00	10
26.	Practical Pathology (With Viva-Voce Questions) (4th Edition)	<i>Tejindar Singh, K Uma Chaturvedi, Nita Khurana</i>	₹ 650.00	10

	Name of the Book	Author	Price	Page No.
27.	Text and Practical Haematology for MBBS (4th Edition)	Tejindar Singh	₹ 795.00	11
28.	Pathology in Nutshell	Sudha Shivaraj, Sridevi H. B., Pooja K. Suresh	₹ 750.00	11
29.	Essentials of MD/DNB Pathology Practical Examination (2nd Edition)	Tejindar Singh, Gita Jayaram, Nita Khurana, Neha Singh	₹ 950.00	11
30.	Complete Textbook of Medical Pharmacology (Volumes I and II) (2nd Edition)	S K Srivastava	₹ 1350.00	11
31.	Pharmacology for MBBS (2nd Edition)	S K Srivastava, Rohan Srivastava	₹ 1895.00	11
32.	Manual of Practical Pharmacology for MBBS	S K Srivastava, Rohan Srivastava	₹ 300.00	12
33.	Pharmacology in Nutshell	S K Srivastava, Rohan Srivastava	₹ 550.00	12
34.	Pharmacology at A Glance (In Question-Answer Form)	Jagminder Kaur Bajaj, Shalini Salwan, Megha Sood, Rakesh Kumar, Baljit Jassal, Nipunjot Grewal, Vaishalee Punj	₹ 495.00	12
35.	Forensic Medicine and Toxicology for MBBS	Anil Aggrawal	₹ 995.00	12
36.	Textbook of Forensic Medicine and Toxicology (2nd Edition)	Anil Aggrawal	₹ 2250.00	13
37.	Injuries—Forensic and Medicolegal Aspects	Anil Aggrawal	₹ 3250.00	13
38.	Essentials of Forensic Medicine and Toxicology	Anil Aggrawal	₹ 995.00	13
39.	Clinical and Forensic Toxicology (Set of 2 Volumes)	Anil Aggrawal	₹ 5500.00	13
40.	Textbook of Medicine for MBBS (4th Edition)	S N Chugh	₹ 2250.00	14
41.	Essentials of ECG	Vipin Gupta	₹ 200.00	14
42.	Basics of ECG	Gajraj Kaushik	₹ 200.00	14
43.	Textbook of Obstetrics (3rd Edition)	J B Sharma	₹ 2950.00	14
44.	Textbook of Gynecology (2nd Edition)	J B Sharma	₹ 2550.00	15
45.	Textbook of Contraception	Alka Kriplani, J B Sharma, Seema Singhal	₹ 450.00	15
46.	Textbook of Dermatology	S B Shrivastava	₹ 550.00	15
47.	MCQs in Respiratory Medicine	B L Bhardwaj, Kanchan Bhardwaj, Aastha Miranpuri	₹ 150.00	15
48.	Practical Paediatric Neurology (2nd Edition)	Veena Kalra	₹ 495.00	16
49.	Atlas and Text of Hematology (Volume I and II) (4th Edition)	Tejindar Singh	₹ 3500.00	16
50.	Atlas and Text of Breast Cytology	Gita Jayaram	₹ 750.00	16
51.	Mediscan Manual of Fetal Echocardiography	Suresh Seshadri, Indrani Suresh, Shanthi Chidambarathanu, Vijayalakshmi Raja	₹ 2000	16
52.	Radiological Procedures—A Guideline (4th Edition)	Bhushan N Lakhkar	₹ 395.00	17

	Name of the Book	Author	Price	Page No.
53.	Concise Radiology for Undergraduates (2nd Edition)	Bhushan N Lakhkar, Chandrakant M Shetty	₹ 400.00	17
54.	Basic Sciences as Applied to Radiodiagnosis	Bhushan N Lakhkar, Bhushita Lakhkar/Guru	₹ 750.00	17
55.	Atlas of Breast Elastography and Ultrasound Guided Fine Needle Cytology	Dr. Col. (Retd) C S Pant, Vaneeta Kapur, Biswajit Sen	₹ 3500.00	17

### Book for BDS

56.	Human Physiology for BDS (7th Edition)	A K Jain	₹ 1250.00	
57.	Manual of Practical Physiology for BDS (5th Edition)	A K Jain	₹ 495.00	18
58.	Biochemistry for Dental Students (2nd Edition)	S K Gupta	₹ 650.00	18
59.	Manual of Practical Biochemistry for BDS (5rd Edition)	S K Gupta, Binita Goswami	₹ 395.00	18
60.	Textbook of Microbiology for Dental Students (7th Edition)	C P Baveja	₹ 850.00	19
61.	Rapid Updates in Oral Medicine and Radiology	K V Swathi	₹ 650.00	19
62.	Pharmacology for Dental Students	S K Srivastava	₹ 750.00	19
63.	Textbook of Clinical Medicine for Dental Students (5th Edition)	S N Chugh, Anshul Chugh	₹ 1195.00	19
64.	Textbook of Preventive Dentistry and Dental Statistics	Pankaj Goel	₹ 795.00	20
65.	Textbook of Endodontics	Aishwarya Kaushik	₹ 750.00	20
66.	Practical Pathology, Microbiology and Pharmacology (Dental Students) (3rd Edition)	Tejindar Singh, K Uma Chaturvedi, C P Baveja, Deep Inder	₹ 650.00	20
67.	Textbook of Pathology for BDS (2nd Edition)	A K Mandal, Shramana Choudhury	₹ 695.00	20

### Books for Nursing

68.	Applied Anatomy for B. Sc. Nursing	M K Anand	₹ 650.00	23
69.	Handbook of Communicative English for B.Sc. Nursing (Semester 1)	Indira S, Ellen Beck	₹ 250.00	21
70.	Applied Psychology for Nursing (3rd Edition)	S K Mangal	₹ 495.00	21
71.	Anatomy and Physiology for Nursing (4th Edition)	A K Jain	₹ 595.00	22
72.	Applied Physiology for B.Sc. Nursing (3rd Edition)	A K Jain	₹ 595.00	22
73.	Nursing Informatics and Technology (Computer for Nursing) (2nd Edition)	Ranju Sood	₹ 350.00	22
74.	Applied Anatomy for B.Sc. Nursing [including MCQs] (2nd Edition)	Renu Chauhan	₹ 650.00	22
75.	Textbook of Medical Surgical Nursing	S N Chugh	₹ 1395.00	21
76.	Applied Biochemistry for B. Sc. Nursing [including MCQs] (2nd Edition)	S K Gupta	₹ 325.00	23
77.	Applied Microbiology for B.Sc. Nursing (7th Edition)	C P Baveja	₹ 595.00	23
78.	Applied Nutrition and Dietetics for B.Sc. Nursing (Including MCQs) (2nd Edition)	S. K. Gupta	₹ 395.00	23
79.	Microbiology for Diploma in GNM (General Nursing and Midwifery) (3rd Edition)	C P Baveja, V Baveja	₹ 200.00	23
80.	Textbook of Microbiology for Nursing (7th Edition)	C P Baveja	₹ 595.00	24
81.	Pharmacology for B.Sc. Nursing	S K Srivastava, Rohan Srivastava	₹ 450.00	24
82.	Applied Pathology for B.Sc. Nursing	A K Mandal, Shramana Choudhury	In Press	24

# Books for MBBS/MD/DNB

	Name of the Book	Author	Price	Page No.
83.	Community Health Nursing	Saneesh V M	₹ 450.00	24
84.	Midwifery Casebook—A Practical Record Book (Hard Bound)	Devi C G, Annie Chandra S, Arul Jothi V.	₹ 495.00	25
85.	Midwifery and Obstetrical Nursing (2nd Edition—with latest MTP Act 2021)	J B Sharma	₹ 1195.00	25
86.	Nutrition and Health for Diploma in Nursing (2nd Edition)	A K Jain	₹ 150.00	26
87.	Child Health Nursing—A Practical Record Book (Hardbound)	Anju Mishra	₹ 550.00	25
88.	Cumulative Practical Log Book for B.Sc. Nursing (Hardbound)	Ram Kumar Garg, Poonam Sharma	₹ 275.00	25
89.	Cumulative Practical Log Book for Post Basic B.Sc. Nursing	Ram Kumar Garg, Poonam Sharma	₹ 175.00	26
90.	Cumulative Practical Log Book for Diploma in General Nursing & Midwifery (Hardbound)	Ram Kumar Garg	₹ 200.00	26
91.	Essentials of Psychology for Nursing	S K Mangal	₹ 175.00	26

## Books for MLT and Physiotherapy

92.	Anatomy for Allied Health Sciences (2nd Edition)	Renu Chauhan	₹ 125.00	27
93.	Text & Practical Physiology for MLT (2nd Edition)	A K Jain	₹ 695.00	27
94.	Manual of Practical Physiology (3rd Edition) (for Physical Therapy, Occupational Therapy, MLT and Other Allied Courses)	A K Jain	₹ 450.00	27
95.	Text and Practical Microbiology for MLT (3rd Edition)	C P Baveja, V Baveja	₹ 695.00	28
96.	Textbook of Pathology for MLT	A K Mandal, Shramana Choudhury	₹ 350.00	28
97.	Human Physiology for Physiotherapy (4th Edition)	A K Jain	₹ 950.00	28
98.	Textbook of Microbiology for Physiotherapy (3rd Edition)	C P Baveja, V Baveja	₹ 650.00	28
99.	Pharmacology for Physiotherapy	S K Srivastava, Rohan Srivastava	₹ 495.00	29
100.	Textbook of Pathology for Physiotherapy	A K Mandal, Shramana Choudhury	₹ 295.00	29
101.	Psychology for Physiotherapy	S K Mangal	₹ 450.00	29
102.	Microbiology for Allied Health Sciences	C P Baveja, V Baveja	₹ 200.00	29
103.	Sociology and Psychology for Physiotherapy	P R Nalini	₹ 395.00	29

## Books for Pharmacy/Ayurveda/Homoeopathy and Other Useful Books

104.	Basic Anatomy and Physiology (4th Edition)	A K Jain	₹ 595.00	30
105.	Human Anatomy and Physiology for Pharmacy (3rd Edition)	A K Jain	₹ 595	30
106.	Pharmacology for Pharmacy Students	S K Srivastava, Rohan Srivastava	₹ 495.00	30
107.	Physiology for Homeopathy (Volumes I and II)	A K Jain	₹ 1250.00	31
108.	Manual of Practical Physiology for Allied Health Sciences	A K Jain	₹ 400.00	31
109.	Forensic Medicine and Toxicology for Homeopathy	Anil Aggrawal	₹ 995.00	31
110.	Modern Physiology for Ayurveda (Text & Practical) (2nd Edition)	K Jain	₹ 595.00	31
111.	Forensic Medicine and Toxicology for Ayurveda	Anil Aggrawal	₹ 995.00	31
112.	Basic Life Support – An Atlas Based Approach (3rd Edition – Updated)	Rakesh Kumar, Shakti Datt Sharma	₹ 350.00	32
113.	बेसिक लाइफ सपोर्ट – कहानी जीवन रक्षा का सचित्र वर्णन	जिंदगी के दो 'डॉक्टर' 'लेख'	₹ 150	32
114.	Journey of COVID in India (2nd Edition)	S K Gupta	₹ 650.00	32
115.	Indian Diet for Interstitial Cystitis	Neelanjana Singh, Rajesh Taneja	₹ 400.00	32

### Textbook of Physiology (Volumes I and II) (10th Edition)

**A K Jain** Professor and Head, Department of Physiology, NDMC Medical College and Hindu Rao Hospital, Delhi. Formerly Professor of Excellence and Head, Department of Physiology, Maulana Azad Medical College, New Delhi.

**Volume I** includes General Physiology, Blood, Nerve, Muscle Physiology, The Digestive System, The Cardiovascular System (CVS), The Respiratory System and The Excretory System.

**Volume II** includes Metabolism and Nutrition, The Endocrine System, The Reproductive System, The Nervous System and The Special Senses.

**Salient features of the book are:**

- As per MCI competency based undergraduate curriculum.
- Entire text thoroughly revised and updated along with many clinical pictures.
- More study questions including 3000 MCQs along with many long structured questions.
- Separate booklet on questions and answers in physiology incorporated.
- Encourages self testing; develops confidence during examination; builds basic concepts.
- Helps to acquire clinical knowledge for better treatment.

ISBN : 978-81-19336-05-0	Price : ₹ 2095 (Set of 2 Vol)	Pages : 632 (Vol I) & 560 (Vol II)	Tenth Edition : 2023
--------------------------	-------------------------------	------------------------------------	----------------------

### Fundamentals of Clinical Communication

**Indu Arneja** Psychologist, Professor, Communication skills trainer, Founder Director– Indian Institute of Healthcare Communication. Working intensively with medical students, practitioners, nurses and other healthcare professionals.

**Pawanindra Lal** is currently the Director, Professor and Head of the Department of Surgery at Maulana Azad Medical College (University of Delhi). A passionate teacher, academic and ardent researcher, Prof Lal is well known for his surgical and laparoscopic skills and extempore teaching.

**Salient features of the book are:**

- Fundamentals of Clinical Communication is a step-by-step guide for medical students on doctor-patient communication.
- It is the first of its kind of book written on this subject in India.
- This book has been written keeping in mind the realities and challenges of the Indian healthcare system and therefore is a ready reckoner for learning essential communication skills in patient management. Besides other essential chapters, the book's highlights are the chapters on managing difficult conversations that talk about breaking bad news, disclosing medical errors and the chapter on managing different patients.

ISBN : 978-81-8296-794-6	Price : ₹ 300	Pages : 216	First Edition : 2022	Reprint : 2023
--------------------------	---------------	-------------	----------------------	----------------

### Manual of Practical Physiology for MBBS (7th Edition)

**A K Jain**

**Salient features of the book are:**

- As per new curriculum of NMC.
- Application-based in nature to train students to think logically and analyse complex problems.
- Practicals on human physiology and their application to clinical medicine stressed.
- Diagrams, pictures and graphs/record depicting analysis and reasoning questions and viva voce questions with answer.
- The objective structured practical examination (OSPE) has also been mentioned.
- Frequently asked spot in the examination included.
- Important topics are grouped under four units as:
  - Haematology Experiments
  - Nerve Muscles Experiments
  - Human Experiments
  - Approach to Practical Examination

ISBN : 978-93-9479-293-7	Price : ₹ 850	Pages : 352	Seventh Edition : 2023
--------------------------	---------------	-------------	------------------------

## Textbook of Practical Physiology for MBBS (2nd Edition)

**A K Jain**

**Salient features of the book are:**

- As per new curriculum of NMC.
- Application-based in nature to train students to think logically and analyse complex problems.
- Practicals on human physiology and their application to clinical medicine stressed.
- Diagrams, pictures and graphs/record depicting analysis and reasoning questions and viva voce questions with answer.
- The objective structured practical examination (OSPE) has also been mentioned.
- Frequently asked spot in the examination included.
- Important topics are grouped under four units as:
  - Haematology Experiments
  - Nerve muscles Experiments
  - Human Experiments
  - Approach to practical examination

ISBN : 978-81-19336-24-1	Price : ₹ 650	Pages : 400	Second Edition : 2018	Reprint : 2023
--------------------------	---------------	-------------	-----------------------	----------------

## Biochemistry in Nutshell (2nd Edition)

**S K Gupta**

**Salient features of the book are:**

- The core subject material has been covered adequately and the subject matter has been arranged sequentially to make a logical reading.
- Adequate colourful diagrams and flowcharts have been added for clear visualisation and understanding.
- Sequential arrangement of text has been done for better retention of subject matter.
- Important confusing terms, facts, etc., have been highlighted through coloured boxes.
- Boxes titled 'Clinical Focus' highlight the importance of the clinical aspects arising from basic medical biochemistry.
- New areas such as cancer, genetic engineering and molecular immunology along with core areas of biochemistry like metabolism, nutrition, endocrinology, etc. as have also been given due emphasis.
- Common health problems with a strong biochemical basis such as Diabetes Mellitus, Jaundice, Respiratory Distress Syndrome of Newborns, Osteoporosis, Hypercholesterolemia and several metabolic disorders viz. Hyperhomocystinemia, Phenylketonuria, etc., have been dealt with suitable clinical details.

ISBN : 978-81-19336-09-8	Price : ₹ 650	Pages : 336	Second Edition : 2023
--------------------------	---------------	-------------	-----------------------

## Human Physiology in Nutshell (6th Edition)

**A K Jain**

**Salient features of the book are:**

- For quick revision of the subject just prior to the theory and viva voce examination.
- Material is presented point wise.
- Covers all the topics in nutshell without losing conceptual text.
- Handy and student friendly.
- Makes learning of the subject interesting with more flowcharts and tables.

ISBN : 978-93-94792-04-3	Price : ₹ 495	Pages : 232	Sixth Edition : 2022	Reprint : 2023
--------------------------	---------------	-------------	----------------------	----------------

## Manual of Practical Biochemistry for MBBS (5th Edition)

**S K Gupta** (M.D.) Former Professor, Department of Biochemistry, NDMC Medical College and Hindu Rao Hospital, Delhi. Former Director Professor, Department of Biochemistry, Maulana Azad Medical College, New Delhi.

**Veena Singh Ghalaut** Formerly Professor and Head, Department of Biochemistry, Pt. B.D. Sharma Postgraduate Institute of Medical Sciences, Rohtak (Haryana).

**Anju Jain** Director Professor, Department of Biochemistry, Lady Hardinge Medical College, New Delhi.

**Binita Goswami** Professor, Department of Biochemistry, Maulana Azad Medical College, New Delhi.

**Salient features of the book are:**

- The manual has been revised thoroughly according to the new competency based curriculum introduced by the NMC.
- Important new experiments have been added to upgrade with the curriculum.
- Various new chapters on clinical conditions and disorders have been included comprehended with appropriate clinical case histories. This will help students in using their basic knowledge in clinical perspective.
- Point-wise description of the content for easy and quick recapitulation, procedures in tabular form and the viva voce question-answers at the end, each experiment are the key features of this book.

ISBN : 978-81-960690-0-1	Price : ₹ 595	Pages : 240	Fifth Edition : 2023
--------------------------	---------------	-------------	----------------------

## Essentials of MD/DNB Physiology Practical Examination

**A K Jain**

**Salient features of the book are:**

- As per new curriculum policy of the National Medical Commission (NMC) for MD and DNB students.
- Emphasises the need for quantitative as well as qualitative improvement in human physiology experiments along with their clinical correlates.
- Well-labelled diagrams, pictures and graphs provided.
- Important viva voce questions and flowcharts provided.
- Frequently asked spots given.

ISBN : 978-81-7855-745-8	Price : ₹ 750	Pages : 464	First Edition : 2016	Reprint : 2022
--------------------------	---------------	-------------	----------------------	----------------

## Immunology for MBBS

**S K Gupta, Binita Goswami**

**Salient features of the book are:**

- This book has been written to cover the core competencies of immunology that need to be taught to the Phase I MBBS students as per the CBME curriculum implemented in 2019 as per NMC.
- The chapters have been compiled in accordance with the three competencies as have been defined in NMC.
- The concepts have been explained in simple and lucid language with illustrations and diagrams to make the understanding simple.
- Essay type as well multiple choice questions have been added at the end of each chapter for self-assessment.
- A section on the practical and clinical aspects of the immunology concepts have been added at the end so that the students appreciate the immense potential of immunology in our lives.

ISBN : 978-81-8296-786-1	Price : ₹ 350	Pages : 144	First Edition : 2021	Reprint : 2022
--------------------------	---------------	-------------	----------------------	----------------

## Textbook of Medical Biochemistry (3rd Edition)

**S K Gupta** (M.D.) Former Professor and Head Department of Biochemistry, NDMC Medical College and Hindu Rao Hospital, Delhi. Former Director Professor at Maulana Azad Medical College, New Delhi. He has been teaching medical biochemistry to B.D.S., M.B.B.S., and M.D. students for over forty years. He is very well aware of the students' requirements as he has been an examiner for many universities for MBBS and MD examinations and an expert in interview boards for the appointment of residents and faculty positions.

**Binita Goswami**, Professor, Deptt. of Biochemistry (Maulana Azad Medical College, New Delhi). She is avidly involved in the teaching of undergraduate and postgraduate students. She was also the faculty at GIPMER and LHMC, New Dehi.

**Salient features of the book are:**

- Updated with the latest CBME curriculum (NMC).
- A clear and comprehensive account of the subject for students, both at the graduate and the postgraduate levels.
- Necessary details along with coloured diagrams, flowcharts and clinical pictures.
- Basic subject has been well-correlated with clinical situations. Boxes titled 'Clinical Focus' correlates the subject well with clinical situations.
- Provides a good overview of molecular biology and immunology.

ISBN : 978-81-19336-15-9	Price : ₹ 1495	Pages : 752	Third Edition : 2023
--------------------------	----------------	-------------	----------------------

## Concepts and Cases in Biochemistry

**Binita Goswami**

**Maheswari K**, MBBS, MD, PGDFM is currently working as an Associate Professor in Biochemistry, Maulana Azad Medical College, Delhi. She had worked in JIPMER, Pondicherry and Karaikal before joining MAMC as the faculty. Both authors are actively involved in the undergraduate academic activities in the institute and teaching the clinical aspects of Biochemistry to the medical students.

**Salient features of the book are:**

- Topic-wise case-based approach.
- 100-plus clinical case scenarios with clinico-biochemical correlations.
- Fullfilled learning activities in the form of crosswords, biographies.
- Brainstorming through mind maps.
- Higher order thinking skill activities for quenching the cognitive thirst.
- Exam-oriented exercises based on the latest CBME curriculum.

ISBN : 978-93-9410-204-0	Price : ₹ 450	Pages : 184	First Edition : 2022
--------------------------	---------------	-------------	----------------------

## Essentials of Immunology (2nd Edition)

**S K Gupta**

Salient features of this thoroughly revised edition are:

- Provides a clear, comprehensive and concise account of immunology.
- Incorporates a new way of understanding concepts.
- Includes improved diagrams and many new diagrams.
- Many important concepts and clinical correlations and conditions have been highlighted in coloured boxes.
- Adequate illustrations, tables and flowcharts.
- A summary at the end of each chapter gives the important facts for recapitulation.

ISBN : 978-81-7855-763-2	Price : ₹ 995	Pages : 384	Second Edition : 2017	Reprint : 2023
--------------------------	---------------	-------------	-----------------------	----------------

## Anatomy in Nutshell

**M K Anand.** MBBS, MS, DO, PhD, DHA, ACME, FAIMER is currently working as a Professor and HOD, Department of Anatomy at Santosh Medical College (Santosh–Deemed to be University, Ghaziabad, Uttar Pradesh). He has more than 25 years of experience in teaching, administration and clinical knowledge. He has published more 50 papers in scientific journals of repute and has authored over 20 books with title till date. He is a member of many national and international Anatomical Societies.

Salient features of the book are:

- Clinical correlations have been included at the end of each chapter to provide relevance to the anatomical science with respect to clinical diagnosis and treatment for the medical students.
- All relevant subject content of human anatomy for medical students have been included such as from anatomy of tissues to organs and then to different systems of the body.
- Illustrated clinical diagrams are added to provide a better understanding in the book.
- Clinical relevance is designed to stimulate the students to apply subject knowledge to correlate signs and symptoms, with anatomy of the given body part.
- New advances and modern concepts have been simplified and presented.

ISBN : 978-81-19336-10-4	Price : ₹ 650	Pages : 296	First Edition : 2023
--------------------------	---------------	-------------	----------------------

## Complete Human Histology (Textbook cum Workbook)

**Renu Prasad** Professor and Head, Department of Anatomy, Rajendra Institute of Medical Sciences, Ranchi. She has a teaching experience of more than 31 years. She was the Editor-in-Chief of her college magazine for several years and some of her articles were published in the college magazine.

Salient features of the book are:

- Simple and lucid language.
- Helpful for both undergraduate and postgraduate medical students of Anatomy and Pathology.
- The diagrams given in the book are simple sketches representing histological features emphasising every minute detail of the cells and the nuclei. They can be easily reproduced by students during the examinations.
- This textbook can also be used as a workbook.
- Unlabelled diagrams and blank pages have been provided to practise labelling and drawing diagrams.
- This book is also useful for BDS, BHMS, B.Sc. Nursing and Paramedical students.

ISBN : 978-81-7739-484-9	Price : ₹ 400	Pages : 176	First Edition : 2016	Reprint : 2022
--------------------------	---------------	-------------	----------------------	----------------

## Histology Workbook

**Renu Chauhan** Director Professor & Head, Department of Anatomy, University College of Medical Sciences and Guru Teg Bahadur Hospital, Delhi.

Salient features of the book are:

- Simplifies the difficult subject of Histology for students.
- The content is simple yet lucid.
- Majority of the figures are actual photographs of slides as seen by students through the microscope.
- This book is also useful for BDS, BHMS, B.Sc. Nursing and Paramedical students.

ISBN : 978-81-8296-575-1	Price : ₹ 350	Pages : 136	First Edition : 2016	Reprint : 2022
--------------------------	---------------	-------------	----------------------	----------------

## Complete Human Osteology

**Renu Prasad**

Osteology is a very critical subject of Anatomy and plays a significant role in understanding gross anatomy.

Salient features of the book are:

- Book has been prepared to cater to the needs of the undergraduate students and aims to help them in mastering the subject of Osteology.
- The concepts have been explained in a simple and lucid language to ensure easy understanding of the subject.
- “Special comments and points of applied anatomy” have been included towards the end of description of bones.
- Clinical Photographs of bones have also been added to facilitate the understanding of the text.

ISBN : 978-81-7739-562-4	Price : ₹ 450	Pages : 224	First Edition : 2018	Reprint : 2022
--------------------------	---------------	-------------	----------------------	----------------

## Essentials of Genetics (2nd Edition)

**Renu Chauhan** Director Professor & Head, Department of Anatomy, University College of Medical Sciences and Guru Teg Bahadur Hospital, Delhi.

Salient features of the book are:

- This book aims at providing the MBBS and allied health sciences students with the basic concepts of genetics.
- Frequently asked topics in examinations have been included and important topics have been discussed at length.
- Efforts have been made to use simple English language throughout this book so that the text can be readily understood.
- Coloured illustrations have also been added so as to enhance and facilitate readers' understanding of the pertaining text.
- Chapters such as Dermatoglyphics, Prenatal Diagnosis and Important Techniques in Genetics have also been dealt with in order to keep pace with the recent developments.

ISBN : 978-81-7739-600-3	Price : ₹ 250	Pages : 128	Second Edition : 2021	Reprint : 2022
--------------------------	---------------	-------------	-----------------------	----------------

## Surface and Radiological Anatomy — A Simplified Approach

**Renu Chauhan** Director Professor & Head, Department of Anatomy, University College of Medical Sciences and Guru Teg Bahadur Hospital, Delhi.

**Manpreet Gambhir** Consultant Radiologist at SRL Diagnostics, New Delhi.

Salient features of the book are:

- Completes the need of undergraduate MBBS, Dental and B.Sc (Radiology) students.
- The language is simple, and content is informative and communicative.
- A wide range of modern imaging techniques including Radiographs, Angiograms, Computed Tomography and Magnetic Resonance Images have been showcased with an excellent collection of relevant material.
- Useful to students and teachers from diverse medical fields alike.

ISBN : 978-81-7739-443-6	Price : ₹ 250	Pages : 152	First Edition : 2014	Reprint : 2022
--------------------------	---------------	-------------	----------------------	----------------

## Complete Microbiology for MBBS

**C P Baveja** Director Professor and Head, Department of Microbiology, Maulana Azad Medical College, New Delhi. He has been teaching Microbiology for the last 35 years.

**V Baveja** Formerly at B J Medical College and N.M. Wadia Hospital, Pune.

Salient features of the book are:

- Absolutely as per the competency based medical education curriculum, NMC.
- The book has been written according to 'Infective Clinical Syndromes' as per new curriculum of NMC for MBBS.
- Each 'Clinical Infective Syndrome' has been included with salient features of organisms.
- Parasitology has been included in the book hence no separate book required.
- The only book with chapters on each competency.
- A chapter 'Confidentiality in laboratory reports' including ethics as required under AETCOM module has been incorporated.
- Chapter on 'Case Studies and National Health Programmes' have been added.
- A chapter on 'Anaemia' in relation to microbiology has been included.

ISBN : 978-93-9410-209-5	Price : ₹ 1495	Pages : 944	Seventh Edition : 2021	Reprint : 2023
--------------------------	----------------	-------------	------------------------	----------------

## Textbook of Microbiology (7th Edition)

**C P Baveja** Director Professor and Head, Department of Microbiology, Maulana Azad Medical College, New Delhi.

Salient features of the book are:

- The textbook has been thoroughly revised and updated with the following new relevant features:
- A complete unit on 'Clinical Microbiology' has been included to understand the role of Microbiology in patient care.
- 'Hand Hygiene' has been added as it has a key role in control of hospital acquired infections.
- 'Essentials of Microbiology at Glance' has been incorporated to recapitulate the important aspects of Microbiology in no time.

ISBN : 978-93-9410-247-7	Price : ₹ 1395	Pages : 688	Seventh Edition : 2022	Reprint : 2023
--------------------------	----------------	-------------	------------------------	----------------

## Practical Microbiology for MBBS (5th Edition)

**C P Baveja** Director Professor and Head, Department of Microbiology, Maulana Azad Medical College, New Delhi.

Salient features of the book are:

- Working steps of each practical so framed to enable a beginner to perform the exercise independently.
- All competency based practicals are included.
- At the end of each practical, the important relevant questions alongwith answers are added.
- Appendices are added to include some important points related to practical exercises.
- Spots with salient features for their identification.

ISBN : 978-93-9479-218-0	Price : ₹ 495	Pages : 222	Fifth Edition : 2022	Reprint : 2023
--------------------------	---------------	-------------	----------------------	----------------

## Essentials of MD/DNB Microbiology Practical Examination

**C P Baveja** Director Professor and Head, Department of Microbiology, Maulana Azad Medical College, New Delhi.

**V Baveja**

**Salient features of the book are:**

- The first and only book for MD/DNB Microbiology Practical examination.
- Working steps of each practical exercise have been framed to enable a beginner to perform the exercises independently.
- Flowcharts for performance of different practical exercises have been incorporated for quick recapitulation.

ISBN : 978-81-7855-775-5	Price : ₹ 550	Pages : 240	First Edition : 2017	Reprint : 2022
--------------------------	---------------	-------------	----------------------	----------------

## Parasitology (5th Edition)

**C P Baveja** Director Professor and Head, Department of Microbiology, Maulana Azad Medical College, New Delhi.

**V Baveja**

**Salient features of the book are:**

- The text is easy to understand and presented in a simple and lucid language.
- A preview has been presented in the beginning of each chapter.
- To make learning easier, well-labelled diagrams and tables have been included at appropriate places.
- Life cycles of parasites are depicted pictorially as well as through flow diagrams.
- Significant aspects of Parasitology have been listed in the form of appendices.
- A chapter on 'Essentials of Parasitology at Glance' has been added to recapitulate the important aspects of Parasitology in no time.
- A chapter on 'Medical Entomology' highlights the role of vectors in Parasitology.

ISBN : 978-81-8296-781-6	Price : ₹ 395	Pages : 216	Fifth Edition : 2021	Reprint : 2022
--------------------------	---------------	-------------	----------------------	----------------

## Microbiology in Nutshell (4th Edition)

**C P Baveja** Director Professor and Head, Department of Microbiology, Maulana Azad Medical College, New Delhi.

**V Baveja**

**Salient features of the book are:**

- Concise and comprehensive language for easy to understand.
- Point-wise explanation for quick recapitulation.
- Clinical Pictures/ diagrams and tables have been incorporated to provide useful information at a glance.
- Clinical infective syndromes have been included in specific chapters.
- Separate chapters on Ethics, Confidentiality and National Health Programmes have been incorporated.
- COVID-19 has been included to understand the most catastrophic disease in the world.
- Clinical Case Presentations have been added in various chapters to help students understand the integrated learning approach.
- Clinical significance emphasises the role of microbiology in patient care.
- A chapter on 'Essentials of Microbiology at Glance' has been added to recapitulate the important aspects of Microbiology in no time.

ISBN : 978-81-7855-915-5	Price : ₹ 795	Pages : 583	Fourth Edition : 2021
--------------------------	---------------	-------------	-----------------------

## Textbook of Pathology for MBBS (Volumes I and II) (2nd Edition-Modified)

**A K Mandal** Director Professor and Head, Department of Pathology, Laboratory Medicine and Blood Bank, Safdarjung Hospital and Vardhaman Mahavir Medical College, New Delhi.

**Shramana Choudhury** Associate Professor, Department of Pathology, Maulana Azad Medical College and LN Hospital, New Delhi.

The new edition of the book in two volumes is extremely student-friendly and easy to understand.

**Salient features of the book are:**

- Strictly as per the latest competency based MCI Curriculum.
- The topics covered in the chapters have been starred so that the students can focus on the essential core knowledge.
- Microscopic photographs synchronised with computer-generated figures have been provided for better understanding and ease in drawing in the examinations.
- The ICMC incidence of diseases specific to our country has been included along with the latest updates regarding the WHO classification and pathogenesis.
- A list of important questions has been given at the end of each chapter.

ISBN : 978-93-947929-8-2 (Set)	Price : ₹ 2200 (Set of 2 Vol)	Pages : 496 (Vol I) 536 (Vol II)	Modified Edition : 2021	Reprint : 2023
-----------------------------------	----------------------------------	-------------------------------------	----------------------------	----------------

## Practical Pathology (With Viva-Voce Questions) (4th Edition)

**Tejinder Singh** Former Director Professor & Head, Department of Pathology, Maulana Azad Medical College, Delhi

**K Uma Chaturvedi** Former Director Professor & Head, Department of Pathology, Maulana Azad Medical College, Delhi

**Nita Khurana** Professor and Head, Department of Pathology, Maulana Azad Medical College, New Delhi.

**Salient features of the book are:**

- The new edition is thoroughly revised and incorporates the competencies as per the new Competency Based Medical Education guidelines of National Medical Commission.
- The book aims to prepare the undergraduate students in applying knowledge of Pathology in the clinical context and become clinicians capable of judiciously investigating the patients and interpreting the laboratory results as practicing physicians of tomorrow.
- Though primarily aimed at second professional year of medical course, the book will be useful in subsequent clinical years as well.
- A wide spectrum of clinical cases in different sections of the book have been incorporated to enhance the understanding of the basis of the disease manifestations and changes occurring in normal physiology and organ morphology in different disorders.
- New high quality photographs, questions for viva voce and listing of competencies will help the students to focus on assessment of their learning.

ISBN : 978-93-9479-297-5	Price : ₹ 650	Pages : 272	Fourth Edition : 2022	Reprint : 2023
--------------------------	---------------	-------------	-----------------------	----------------

## Text and Practical Haematology for MBBS (4th Edition)

**Tejinder Singh**

**Salient features of the book are:**

- As per the NMC guidelines, each chapter begins with "Competency". Preview of each chapter outlines the contents and scope of the disease entity.
- Each chapter is profusely illustrated to make the student understand and appreciate the morphology of haematopoietic cells in blood and bone marrow.
- Flowcharts, figures and tables elucidate the pathogenesis and morphology and differentiating features of various blood diseases.
- "Points to Remember" section in each chapter summarises the important aspects of the disease entity.
- Each chapter ends with case studies and MCQs. Case studies with clinicopathological data help in understanding the disease process.

ISBN : 978-81-7855-881-3	Price : ₹ 795	Pages : 392	Fourth Edition : 2021	Reprint : 2022
--------------------------	---------------	-------------	-----------------------	----------------

## Pathology in Nutshell

**Sudha Shivaraj**, MD (Pathology), is a clinical case Instructor and Academic Adviser. She worked as an Asstt. Professor of pathology at the International Medical School (MSU, Malaysia), and has taught UG and PG student at Bangalore Baptist Hospital.

**Sridevi H. B.**, MD (Pathology), is an Additional Professor, Deptt. of Pathology at KMC, Bangalore.

**Pooja K. Suresh**, MD (Pathology) is an Additional Professor, Dept. of Pathology at KMC, Bangalore. She is also the member of quality team (KMC, Bangalore).

**Salient features of the book are:**

- Updated edition as per requirement of CBME (NMC curriculum)
- Case study, MCQs, Essay-type and short-type QA have given in each chapter
- Clinical histopathology slides have been given in each chapter.

ISBN : 978-81-19336-06-7	Price : ₹ 750	Pages : 400	First Edition : 2023
--------------------------	---------------	-------------	----------------------

## Essentials of MD/DNB Pathology Practical Examination (2nd Edition)

**Tejinder Singh** Formerly Director Professor and Head, Department of Pathology, Maulana Azad Medical College, New Delhi.

**Gita Jayaram** Former Professor, Department of Pathology, University of Malaya, Malaysia.

**Nita Khurana** Professor and Head, Department of Pathology, Maulana Azad Medical College, New Delhi.

**Neha Singh** Additional Professor, Department of Pathology, AIIMS, Rishikesh.

**Salient features of the book are:**

- This book gives a stepwise approach to how to prepare students for MD/DNB Practical examination.
- All the exercises like slide sessions of haematology, histopathology and cytology, techniques and interpretation of results of clinical pathology and haematology have been profusely covered.
- Gross pathology, spots and grand viva-voce have been incorporated.
- Quality photographs in each case bring out the morphologic features of the disease entities.
- Answers to the questions repeatedly asked by the examiners and further questions on molecular, genetic and IHC markers have been included.
- It is more like a guide so that students will become well-versed in answering viva-voce in an organised and coherent manner during their MD/DNB examination.

ISBN : 978-81-7855-888-2	Price : ₹ 950	Pages : 472	Second Edition : 2021
--------------------------	---------------	-------------	-----------------------

## Complete Textbook of Medical Pharmacology (Volumes I and II) (2nd Edition)

**S K Srivastava** Formerly Senior Professor and Head, Department of Pharmacology, Surat Municipal Institute of Medical Education and Research (SMIMER) and SMIMER Hospital, Surat. An eminent teacher with teaching experience of about 31 years, he has been awarded the 'C L Malhotra Research Prize' for the Best Paper in Pharmacology in 1997 by the APPI.

**Salient features of the book are:**

- The book is primarily intended for medical students who have pharmacology as one of the major subjects in their curriculum.
- It is a thoroughly revised and updated second edition which is user-friendly and easy to understand.
- The clinical uses/ current status of drugs/drug groups have been mentioned with relevant explanation/pharmacological basis as applicable.
- The adverse drug reactions (ADRs) specific to a drug have been mentioned with the causes of ADRs and the treatment as applicable.
- Comments on Fixed dose combinations (FDCs) along with new drugs approved/under evaluation have been mentioned.

ISBN : 978-81-7739-522-8 (Set)	Price : ₹ 1350 (Set of 2 Volumes)	Pages : 712 (Vol. I) 596 (Vol. II)	Second Edition : 2017	In Press
-----------------------------------	--------------------------------------	---------------------------------------	--------------------------	----------

## Pharmacology for MBBS (2nd Edition)

**S K Srivastava** M.D., F.I.M.S.A.; Ex-Professor & HOD, Surat Municipal Institute of Medical Education & Research (SMIMER), Surat.

**Rohan Srivastava** M.B.B.S., M.D; Registrar, Breach Candy Hospital, Mumbai. Ex-Resident Government Medical College, Surat.

**Salient features of the book are:**

- The book provides an authoritative, concept-oriented and clinical application-oriented text.
- Absolutely as per the National Medical Commission (NMC) (erstwhile MCI) recommended "Competency Based Medical Education (CBME) Curriculum".
- Book is thoroughly updated (second edition) and competencies are mentioned with specific learning objectives in each chapter.
- The precise mechanism of action, clinical uses and adverse effects of drugs/drug group with relevant explanation have been mentioned.
- Important facts and reasoning (why/how, etc.) are given throughout the text; and also important notes to make certain generalizations and key points.
- Selected MCQs have been mentioned at the end of each chapter for self-assessment.
- New drugs approved have been mentioned with appropriate description.

ISBN : 978-93-9410-256-9	Price : ₹ 1895	Pages : 1056	Second Edition : 2021	Reprint : 2022
--------------------------	----------------	--------------	-----------------------	----------------

## Manual of Practical Pharmacology for MBBS

S K Srivastava  
Rohan Srivastava

The book is first of its kind, user-friendly with following salient features:

- Absolutely as per the National Medical Commission (NMC) (erstwhile MCI) recommended "Competency Based Medical Education (CBME) Curriculum".
- The concerned competencies are mentioned with specific learning objectives in each chapter.
- The due emphasis and explanation are given for practical in clinical pharmacy, clinical pharmacology, experimental pharmacology and communication pharmacology based on NMC competency.
- Adequate number of graphs for experimental pharmacology; and clinical cases for exercises on prescription, criticism and adverse effects of drugs have been mentioned.
- In addition, a chapter is devoted for viva as "Glimpse of Viva-Voce" to acquaint the students about viva during practical examination and grand viva (table viva).

ISBN : 978-93-94792-20-3	Price : ₹ 300	Pages : 144	First Edition : 2021	Reprint : 2023
--------------------------	---------------	-------------	----------------------	----------------

## Textbook of Forensic Medicine and Toxicology (2nd Edition)

Anil Aggrawal Former Director Professor, Deptt. of Forensic Medicine and Toxicology, Maulana Azad Medical College, New Delhi.

Salient features of the book are:

- This revised book, primarily written for students, presents information in a logical, systematic, clear and concise manner for better and easier understanding.
- Core principles of Forensic Medicine and Toxicology are explained to the overburdened undergraduate students in a simple and examination-friendly manner.
- This book is updated with Medicolegally Important Sections, Acts and Rules viz. Mental Health Care Act, 2017, Consumer Protection Act, 2019 and National Medical Commission Act, 2019.

ISBN : 978-93-9479-205-0	Price : ₹ 2250	Pages : 840	Second Edition : 2021	Reprint : 2023
--------------------------	----------------	-------------	-----------------------	----------------

## Pharmacology in Nutshell

S K Srivastava, Rohan Srivastava

This book can be considered as a short textbook of 'Pharmacology for MBBS' and is aimed at reducing the burden of students.

Salient features of the book are:

- It covers comprehensive and concise account of commonly used drugs relevant to MBBS students, along with their adverse reactions.
- The book is examination oriented and user-friendly with the contents well organised, clarifying the basic concepts and generalisations for better understanding and explaining the mechanism in simple language.
- Important notes and important facts and reasoning commonly evaluated in examination have been mentioned throughout the text to highlight certain generalisations and key point, and also to prepare for examination.
- The common medical emergencies and clinically relevant drug interactions have been described precisely.

ISBN : 978-81-7739-586-0	Price : ₹ 550	Pages : 432	First Edition : 2020	Reprint : 2022
--------------------------	---------------	-------------	----------------------	----------------

## Injuries — Forensic and Medicolegal Aspects

Anil Aggrawal Former Director Professor Deptt. of Forensic Medicine and Toxicology, Maulana Azad Medical College, New Delhi.

Salient features of the book are:

- All major Medicolegal Proformas are provided, which can be adopted by Medicolegal professionals.
- All major injuries dealt with, including the latest advances in the field.
- Practical points, tips, etc. are given, which will help in dealing with day-to-day Medicolegal problems.
- Contains several memory aids and mnemonics to make it easy to remember key facts.
- Latest Supreme Court judgements and other judgements from around the world related to injuries are given.
- Life histories of 8 most famous experts in injury interpretation, with their major cases and how they solved them, should prove a major motivating factor for the youngster.
- ICD-10 codes for all legally relevant diseases and injuries, and how to fill them up in causes of death certificates, according to the latest WHO guidelines.

ISBN : 978-81-7739-599-0	Price : ₹ 3250	Pages : 856	First Edition : 2021	Reprint : 2023	Hardbound
--------------------------	----------------	-------------	----------------------	----------------	-----------

## Pharmacology at A Glance (In Question-Answer Form)

Jagminder Kaur Bajaj, Shalini Salwan, Megha Sood, Rakesh Kumar, Baljit Jassal, Nipunjot Grewal, Vaishalee Punj

Salient features of the book are:

It strictly written as per the CBME curriculum. • The book specifically caters to the needs of MBBS - Phase II students, in the era of competency based medical education. • This book includes clinical scenario based multiple choice, subjective and reasoning questions covering all essential aspects of Pharmacology. • Brief reasoning is provided with multiple choice questions to justify the answers. All the efforts have been directed to keep the content simple, comprehensible & perspicuous.

ISBN : 978-93-94792-99-9	Price : ₹ 495	Pages : 248	First Edition : 2023
--------------------------	---------------	-------------	----------------------

## Essentials of Forensic Medicine and Toxicology

Anil Aggrawal Former Director Professor Deptt. of Forensic Medicine and Toxicology, Maulana Azad Medical College, New Delhi.

Salient features of the book are:

- Simple language is an abridged version of the author's earlier book 'Textbook of Forensic Medicine and Toxicology'.
- Provides all the essential topics in a concise manner to the overburdened students.
- The book contains around 200 mnemonics and memory aids.

ISBN : 978-81-7739-441-2	Price : ₹ 995	Pages : 664	First Edition : 2014	Reprint : 2022
--------------------------	---------------	-------------	----------------------	----------------

## Forensic Medicine and Toxicology for MBBS

Anil Aggrawal Former Director Professor, Deptt. of Forensic Medicine and Toxicology, Maulana Azad Medical College, New Delhi.

Salient features of the book are:

- Information is presented in a logical, systematic and clear manner.
- About 200 memory aids make memorisation quick and easy.
- Core principles of Forensic Medicine and Toxicology are explained in an examination-friendly style.
- Students desirous of additional knowledge may profitably read the author's **Textbook of Forensic Medicine and Toxicology** and **Essentials of Forensic Medicine and Toxicology**, which are much wider in scope.

ISBN : 978-93-9410-202-6	Price : ₹ 995	Pages : 720	First Edition : 2016	Reprint : 2022
--------------------------	---------------	-------------	----------------------	----------------

## Clinical and Forensic Toxicology (Set of 2 Volumes)

Anil Aggrawal Former Director Professor Deptt. of Forensic Medicine and Toxicology, Maulana Azad Medical College, New Delhi.

Anil Aggrawal has written the best-selling "Textbook of Forensic Medicine and Toxicology" [commonly called "The Red book"], "Essentials of Forensic Medicine and Toxicology" ["The Black book"] and "Textbook of Forensic Medicine and Toxicology for MBBS" ["The Blue book"].

Salient features of the book are:

- The title of the book Clinical and Forensic Toxicology sums up the basic aim of the book which is to explain the core concepts regarding clinical and medicolegal aspects of poisoning.
- This book is a culmination of author's 45 years of experience in the field of clinical and forensic toxicology.
- This is the first toxicology book which provides movies of several clinical tests.
- This book contains a mini-atlas dedicated to identification of snakes.
- This book has a dedicated section on recent advances in the field of Forensic Toxicology.

ISBN : 978-93-9410-243-9 (Set)	Price : ₹ 5500 (Set of 2 Volumes)	Pages : 532 (Vol. I) 596 (Vol. II)	First Edition : 2022 Hardbound	Reprint : 2023
-----------------------------------	--------------------------------------	---------------------------------------	-----------------------------------	----------------

### Textbook of Medicine for MBBS (4th Edition)

**S N Chugh** Ex. Senior Professor and Pro Vice Chancellor, Pt. B.D. Sharma Postgraduate Institute of Medical Sciences, Rohtak, Haryana.

The book is in its fourth, revised and updated edition. It covers the complete MBBS course. The diseases prevalent in India have also been discussed in details.

**Salient features of the new edition are as follows:**

- New classifications/guidelines on various disorders.
- Recent advances and updated treatment protocol.
- Clear and self-explanatory clinical figures. Updated chapters with new tables and illustrations.
- Extensive revision of the chapter 'Endocrine Disorders'.
- Updated recommendations for prophylaxis against infections.
- Useful for the students appearing for PG entrance examination.

The book will update the practitioners and students about the subject and treatment protocol.

ISBN : 978-93-9410-232-3 (Set)	Price : ₹ 2250 (Set of 2 Volumes)	Pages : 768 (Vol. I) 704 (Vol. II)	Fourth Edition : 2019	Reprint : 2022
--------------------------------	-----------------------------------	------------------------------------	-----------------------	----------------

### Textbook of Gynecology (2nd Edition)

**J B Sharma**

**Salient features of the book are:**

The second edition has been completely updated by incorporating all the latest developments and advances including computer reference standard and diagnostic algorithm in FGTB, latest ASRM classification of uterine anomalies, FIGO AUB classification, ESHRE guidelines management of on management of STI, updated NACIO HIV Treatment Guidelines, Straw Classification for Reproductive aging, POCOS Act, WHO Classification of anovulatory disorders, FIGO Staging of Cancer Vulva, ERAS, Uterine transplant, Covid 19 in Gynecology and Stem cell therapy. This book will be useful for undergraduate and postgraduate students of Obstetrics and Gynecology and other streams like Midwifery. Homeopathy, Ayurveda and for General Practitioners in their day-to day practice.

ISBN : 978-93-9410-254-5	Price : ₹ 2550	Pages : 880	Second Edition : 2022	Reprint : 2023	Hardbound
--------------------------	----------------	-------------	-----------------------	----------------	-----------

### Essentials of ECG

**Vipin Gupta** Ex-Resident, Pt. B.D. Sharma Postgraduate Institute of Medical Sciences, Rohtak, Haryana.

**The salient features of the book are:**

- Simple language covering all important ECG related disorders based on physiological concepts, which helps to interpret ECG accurately.
- Notes/Important Notes covers important aspects for quick and easy understanding.
- Actual ECG illustrations have been furnished to help memorise and reproduce various aspects of ECG.
- The easiest method of calculation of QRS axis in day-to-day clinical practice has also been presented in the book.

ISBN : 978-81-7739-480-1	Price : ₹ 200	Pages : 120	First Edition : 2016	Reprint : 2022
--------------------------	---------------	-------------	----------------------	----------------

### Textbook of Contraception

**Alka Kriplani** Professor and Head, Department of Obstetrics and Gynecology, AIIMS, New Delhi.

**J B Sharma** Professor, Department of Obstetrics and Gynecology, AIIMS, New Delhi.

**Seema Singhal** Assistant Professor, Department of Obstetrics and Gynecology, AIIMS, New Delhi.

**Salient features of the book are:**

- As per the needs of undergraduate and postgraduate students of Obstetrics and Gynecology, Surgery, Ayurveda, Homeopathy and other streams of medicine.
- The various chapters have been contributed by experts from all over the country in relation to the different aspects of contraception.
- Evidence-based medicine and WHO eligibility criteria have been used for the contraception for various medical conditions.

ISBN : 978-81-7739-528-0	Price : ₹ 450	Pages : 232	First Edition : 2017	Reprint : 2022
--------------------------	---------------	-------------	----------------------	----------------

### Basics of ECG

**Gajraj Kaushik** MD Medicine, Ex-Resident Pt. B.D. Sharma Postgraduate Institute of Medical Sciences, Rohtak, Haryana. He has been the Director at Gajraj Hospital, Gohana from 2001 to present. He was conferred the National Excellence Award in Medicine, 2011.

**Salient features of the book are:**

- Provides all the information that a basic doctor needs to read ECG efficiently and accurately.
- Covers everything related to the fundamentals of ECG interpretation.

ISBN : 978-81-8296-706-9	Price : ₹ 200	Pages : 136	First Edition : 2019
--------------------------	---------------	-------------	----------------------

### Textbook of Dermatology

**S B Shrivastava** Consultant Dermatologist and Head, Department of Dermatology, Dr. Baba Saheb Ambedkar Hospital, Govt. of NCT of Delhi.

**Salient features of the book are:**

- Provides easy-to-read and uniformly structured information on dermatology, sexually-transmitted infections and leprosy to the students and medical practitioners of dermatology.
- Incorporates all the important aspects of dermatology ranging from basic cutaneous science to upcoming topics such as cosmetic dermatology and dermatosurgery.
- For quick recap, the key features of diseases have been put under the definitions.
- All the common disorders are illustrated through high quality 360+ colour photographs and amply supported by 130+ tables.

ISBN : 978-81-7739-400-9	Price : ₹ 550	Pages : 376	First Edition : 2013	Reprint : 2023
--------------------------	---------------	-------------	----------------------	----------------

### Textbook of Obstetrics (3rd Edition)

**J B Sharma** Professor, Department of Obstetrics and Gynecology, AIIMS, New Delhi; MD, DNB, FRCOG (London), MFFP (London), FAMS, FICOG, FIMSA.

**Salient features of the book are:**

- Covers the new advances in the field of Obstetrics especially in diabetes, HIV and hypertension.
- Amended MTP Act has been incorporated.
- Separate chapters titled 'Imaging in Obstetrics' and 'Obstetric Instruments, Specimens, Drugs, Spots and Laboratory Tests' have been added for better performance in practical examinations.
- Another chapter titled 'Theory and Practical Examination in Obstetrics' includes sample papers, sample cases and marking pattern for undergraduate and postgraduate examinations.
- The evidence-based medicines and guidelines from prestigious institutions have also been incorporated.
- The book also contains around 800 clinical photographs, figures, tables, flowcharts, ultrasound and other imaging modalities.

ISBN : 978-93-9410-272-9	Price : ₹ 2950	Pages : 904	Third Edition : 2022	Reprint : 2023	Hardbound

### MCQs in Respiratory Medicine

**B L Bhardwaj** Associate Professor of Internal Medicine, Government Medical College, Patiala.

**Kanchan Bhardwaj** Associate Professor, Government Medical College, Patiala.

**Aastha Miranpuri** MBBS from Wisconsin, USA.

**Salient features of the book are:**

- Covers almost all respiratory diseases and acute respiratory infections in children, that include bronchial asthma, bronchiectasis, bronchoscopy, embryology, fungal diseases, lung tumors, sarcoidosis, pleural effusion, pneumonia, tuberculosis, etc.
- Includes 1400 MCQs along with answers covering all major aspects of Respiratory Medicine.
- The book will prove very useful to the students for updating their knowledge and preparing for MD and DM examinations.
- Questions have also been included from previous competitive examinations of various institutes in India.

ISBN : 978-81-7739-237-1	Price : ₹ 150	Pages : 272	First Edition : 2010	Reprint : 2022
--------------------------	---------------	-------------	----------------------	----------------

## Practical Paediatric Neurology (2nd Edition)

**Veena Kalra** Former Professor and Head (Paediatrics), All India Institute of Medical Sciences (AIIMS), New Delhi. She is instrumental in initiating and propagating Paediatric Neurology in the country. She is a part of the Executive Body of Child Neurology in the world.

**Salient features of the book are:**

- Provides relevant information on neurological malformations, infections, cerebral palsy, epilepsies, mental retardation, neurodegenerative disorders, neonatal neurological problems and neuromuscular diseases, and dietary therapies. This thoroughly revised edition covers more disease states.
- It gives clear guidelines and practice parameters and stresses on algorithmic approach to many symptoms enabling paediatricians to optimally investigate their patients and take therapy decisions.
- Preventive strategies have also been duly covered.

ISBN : 978-81-7855-411-2	Price : ₹ 495	Pages : 336	Second Edition : 2008	Reprint : 2020
--------------------------	---------------	-------------	-----------------------	----------------

## Atlas and Text of Hematology (Volume I and II) (4th Edition)

**Tejindar Singh**

The book specialises in blood and bone marrow examination.

**Salient features of the book are:**

- More than 1,000 high quality images and an up-to-date text.
- Accelerates learning for trainees and practising pathologists.
- Highly informative pictures with cover nearly all hematological disorders.
- Relevant clinical information on etiology, risk factors, interventions and prognosis given in a concise manner help in consolidating knowledge.
- Very useful for diagnostic pathologists and doctors practising Clinical Hematology, Paediatrics, Medicine and Oncology.

ISBN : 978-93-9410-286-6 (Set)	Price : ₹ 3500 (Set of Two Volumes)	Pages : 336 (Vol. I) 296 (Vol. II)	Fourth Edition : 2018	Reprint : 2022
-----------------------------------	--	---------------------------------------	--------------------------	----------------

## Atlas and Text of Breast Cytology

**Gita Jayaram**

**Salient features of the book are:**

- This book demonstrates common and uncommon breast lesions encountered in fine needle cytology practice.
- It reflects the importance of close cooperation between clinician and pathologist.
- Detailed accounts and quality illustrations of clinical and cytological features have been included.
- Emphasis has also been laid on perfection of the sampling and smear-preparing techniques.
- Ancillary tests like immunocytochemistry and molecular methods that can be done on the cytologic samples are also given due importance.

ISBN : 978-81-7855-873-8	Price : ₹ 750	Pages : 104	First Edition : 2021	Reprint : 2022
--------------------------	---------------	-------------	----------------------	----------------

## Mediscan Manual of Fetal Echocardiography

**Suresh Seshadri** Director at Mediscan Systems and Hony. Secretary (CEO) at the Govt. General Hospital, Chennai and Voluntary Health Services, Chennai. **Indrani Suresh** Director, Mediscan Systems and heads the High-risk unit at Mediscan Systems, holds an MD degree from the Madras University, **Shanthi Chidambarathanu** completed a fellowship in pediatric cardiology at the Westmead Childrens Hospital, Australia and worked as a lead consultant in the Fetal Cardiology Unit of Mediscan, **Vijayalakshmi Raja** Senior Research Coordinator at Mediscan, graduated from Queen Mary's College in Chennai. She has described "Premaxillary Triangle sign" for diagnosis of fetal cleft palate.

It is the first training manual released under the series of manuals for Obstetric & Gynecological ultrasound to understand the essential steps in Fetal echocardiography.

**Salient features of the book are:**

- The book has been divided into screening examination of the heart and extended echocardiography.
- Practical techniques have been included to aid both beginners and the ones who want to enhance their skills further.
- The perinatal autopsy images for better understanding of the ultrasound image have been included wherever possible.
- A comprehensive atlas including the most common congenital heart defects has been provided which gives a multidisciplinary approach to fetal cardiac anomalies.

ISBN : 978-93-9479-219-7	Price : ₹ 2000	Pages : 200	First Edition : 2021	Reprint : 2022
--------------------------	----------------	-------------	----------------------	----------------

## Radiological Procedures—A Guideline (4th Edition)

**Bhushan N Lakhkar** Director and Professor, Department of Radiodiagnosis, Jawaharlal Nehru Medical College, Sawangi (Meghe), Wardha, Maharashtra. He is a well-known teacher of Radiodiagnosis with over 35 years of teaching experience in various institutions in India and abroad.

**Salient features of the book are:**

- This book has been introduced for first year residents to enable them to perform radiological procedures with confidence.
- Radiographers will find it useful not only for their examinations but also in their day-to-day life.

ISBN : 978-93-9410-225-5	Price : ₹ 395	Pages : 352	Fourth Edition : 2022
--------------------------	---------------	-------------	-----------------------

## Concise Radiology for Undergraduates (2nd Edition)

**Bhushan N Lakhkar** Professor and Head, Department of Radiodiagnosis and Imaging, Jawaharlal Nehru Medical College, Sawangi (Meghe), Wardha, Maharashtra.

**Chandrakant M Shetty** Professor, Department of Radiodiagnosis and Imaging, Kasturba Medical College, Manipal Karnataka.

**Salient features of the book are:**

- This book has been written in a simple language to provide easy understanding of the complexities in the ever-growing field of radiology for undergraduates.
- All the topics covered are generally asked in clinical postings and MBBS examinations.
- Various common entities have been presented along with line diagrams and multi-modality images.
- Multiple Choice Questions (MCQs) have also been added after each chapter.

ISBN : 978-81-8296-478-5	Price : ₹ 400	Pages : 152	Second Edition : 2015	Reprint : 2022
--------------------------	---------------	-------------	-----------------------	----------------

## Basic Sciences as Applied to Radiodiagnosis

**Bhushan N Lakhkar** Director and Professor, Department of Radiodiagnosis, Jawaharlal Nehru Medical College, Sawangi (Meghe), Wardha, Maharashtra.

**Bhushita Lakhkar/Guru** Associate Professor, Department of Radiodiagnosis, Jawaharlal Nehru Medical College, Sawangi (Meghe), Wardha, Maharashtra.

**Salient features of the book are:**

- This book is intended to provide an introductory background to basic sciences.
- It is a one-step resource covering the principles of basic sciences required by the radiology residents. This is ideally suited for medical students during their transition from UG to residency in radiology.
- It provides a solid foundation for acquiring more detailed knowledge and a deeper understanding of the subject. It is easy to read, yet comprehensive.

ISBN : 978-81-7855-889-9	Price : ₹ 750	Pages : 464	First Edition : 2021	Reprint : 2022
--------------------------	---------------	-------------	----------------------	----------------

## Atlas of Breast Elastography and Ultrasound Guided Fine Needle Cytology

**Dr. Col. (Retd) C S Pant** has pioneered breast imaging in India and established the first dedicated and integrated early breast cancer detection center in India.

**Vaneeta Kapur** is an alumnus of the prestigious Lady Hardinge Medical College, Delhi and an MD from Delhi University. She has been actively engaged in the field of breast practice for almost two decades.

**Biswajit Sen** is an alumnus of Calcutta National Medical College, MD from the prestigious Post Graduate Institute of Medical Education & Research, Chandigarh and a Life Member of the Indian Association of Pathologists and Microbiologists.

**Salient features of the book:**

- The aim of bringing out this breast imaging book is two-fold. Firstly, to emphasise the role of Elastography in a dedicated practice; and Secondly, the role of a judiciously performed ultrasound guided FNAC by an experienced cytopathologist.
- Elastography as a tool in the diagnostic armamentarium of breast lesions has both been very exciting and a revelation.
- Ultrasound is widely available as an imaging modality in every nook and cranny of our vast country.
- Ultrasound-guided breast biopsy remains the gold standard for both diagnosing malignant breast disease and providing histocompatibility markers.

ISBN : 978-93-9410-237-8	Price : ₹ 3500	Pages : 488	First Edition : 2022	Hardbound
--------------------------	----------------	-------------	----------------------	-----------

# Books for BDS

## Manual of Practical Biochemistry for BDS (4rd Edition)

**S K Gupta** (MD) Formerly Professor, Department of Biochemistry, NDMC Medical College and Hindu Rao Hospital, Delhi. Former Director Professor, Department of Biochemistry, Maulana Azad Medical College, New Delhi.  
**Binita Goswami** Professor, Department of Biochemistry, Maulana Azad Medical College, New Delhi.

### Salient features of the book are:

- The book has been written with the objective of providing a concise, comprehensive and easily understandable course material of Practical Biochemistry.
- It also aims to give a good exposure to the various aspects of biochemistry and the role of clinical biochemistry in patient care.
- Each experiment gives clear, easy-to-follow procedures and calculations. Interpretations are discussed in the form of questions and answers.
- This manual itself can be used as a practical notebook.

ISBN : 978-93-94792-89-0	Price : ₹ 395	Pages : 144	Fourth Edition : 2023
--------------------------	---------------	-------------	-----------------------

## Human Physiology for BDS (7th Edition)

**A K Jain**

### Salient features of the book are:

- As per the Dental Council of India for BDS students.
- Specific learning objectives, i.e. must know area of study included.
- Preview given at the beginning of each chapter.
- Many multiple choice questions (MCQs) at the end of each chapter.
- Many more clinical pictures added.

ISBN : 978-93-9410-253-8	Price : ₹ 1250	Pages : 600	Seventh Edition : 2022	Reprint : 2023
--------------------------	----------------	-------------	------------------------	----------------

## Textbook of Microbiology for Dental Students (7th Edition)

**C P Baveja** Director Professor and Head, Department of Microbiology, Maulana Azad Medical College, New Delhi.

### Salient features of the book are:

- The book has been written as per the prescribed syllabus for BDS students by the Dental Council of India (DCI)
- The text is presented in a simple and lucid manner.
- 'Healthcare Associated Infections' have been included to understand the infections associated with patient care.
- 'Essentials of Microbiology at Glance' has been incorporated to recapitulate the important aspects of Microbiology in no time.
- 'Key Points' have been included at the end of each chapter for easy and quick recapitulation.
- Study Questions related with each chapter have been included.

ISBN : 978-93-9479-233-3	Price : ₹ 850	Pages : 432	Seventh Edition : 2023	Reprint : 2023
--------------------------	---------------	-------------	------------------------	----------------

## Manual of Practical Physiology for BDS (5th Edition)

**A K Jain**

### Salient features of the book are:

- In line with the curriculum policy of the Dental Council of India for BDS students.
- Provides learning through cause effect relationship.
- Encourages logical and analytical thinking in understanding physiology experiments.
- Furnishes working steps in an extremely simplified manner.
- Labelled diagram and graphs, important viva-voce questions appended.
- Study notes given separately.

ISBN : 978-81-960690-2-5	Price : ₹ 495	Pages : 224	Fifth Edition : 2023
--------------------------	---------------	-------------	----------------------

## Rapid Updates in Oral Medicine and Radiology

**K V Swathi** is a Lecturer in the Department of Oral Medicine and Radiology, SRM Dental College, Ramapuram, Chennai. She has completed both BDS and MDS from Saveetha Dental College, Chennai.

### Salient features of the book are:

- It is a handy reference book in Oral Medicine and Radiology and aims to help both undergraduate and postgraduate students.
- The concepts of this book has been made very concise, to the point and presented in a Q & A format with lots of illustrations.
- This book includes a separate unit on various systems of the human body which is a major part of the emerging special care dentistry for knowledge.

ISBN : 978-93-9410-242-2	Price : ₹ 650	Pages : 224	First Edition : 2022
--------------------------	---------------	-------------	----------------------

## Biochemistry for Dental Students (2nd Edition)

**S K Gupta**

### Salient features of the book are:

- The book discusses sequentially the core areas of biochemistry such as metabolism, enzymes, nutrition, endocrinology, free radicals, antioxidants, etc.
- New areas such as cancer, molecular genetics, genetic engineering and molecular immunology have also been given due emphasis.
- Adequate coloured diagrams, tables and flowcharts have been added for clear visualisation and understanding.
- Boxes labelled 'Clinical Focus' have been highlighted to present the clinical aspects arising from basic medical biochemistry.
- Efforts has been made to make the book attractive and student-friendly without compromising on the core subject.

ISBN : 978-81-19336-07-4	Price : ₹ 650	Pages : 336	Second Edition : 2023
--------------------------	---------------	-------------	-----------------------

## Pharmacology for Dental Students

**S K Srivastava**

### Salient features of the book are:

- The book includes description of a few drugs used in dentistry – anti-inflammatory, styptics, antimicrobials, antiseptics, etc., and some, local anaesthetic, and other group of drugs.
- The basic concepts have been clarified in each chapter with generalisations for better understanding.
- The clinical uses for dental conditions have been clearly mentioned wherever applicable.
- It is written for BDS students as per DCI regulations on undergraduate teaching.

ISBN : 978-81-7739-565-5	Price : ₹ 750	Pages : 552	First Edition : 2019	Reprint : 2022
--------------------------	---------------	-------------	----------------------	----------------

# Books for Nursing

## Textbook of Clinical Medicine for Dental Students (5th Edition)

**S N Chugh** Ex. Senior Professor and Pro. Vice Chancellor, Pt. B.D. Sharma University of Health Sciences, Rohtak, Haryana.

**Anshul Chugh** Associate Professor in Prosthodontics, Government Medical Dental College, Rohtak, Haryana.

**Salient features of the book are:**

- The book is revised and updated as per the course prescribed by the Dental Council of India.
- It has a comprehensive text on the subjects which are considered merely symptoms or signs of various diseases.
- Appendices contain information on Biochemical values, WHO immunisation schedule and several other relevant subjects.

ISBN : 978-93-9479-222-7	Price : ₹ 1195	Pages : 656	Fifth Edition : 2019	Reprint : 2023
--------------------------	----------------	-------------	----------------------	----------------

## Textbook of Preventive Dentistry and Dental Statistics

**Pankaj Goel** Principal, Government Dental Institute, RIMS, Ranchi. He has been associated with teaching and research in preventive Dentistry at graduate and postgraduate levels and has been associated with various research projects at WHO, VHAI, etc.

**Salient features of the book are:**

- This comprehensive textbook fills the gap of a defined knowledge of Preventive Dentistry.
- It includes in-depth discussion of Dental statistics for understanding disease causation, dynamics of transmission, identification of risk factors, availability of diagnosis, etc.
- Emerging topics like AYUSH, tele-dentistry and National laws on Dentistry have been discussed.
- Detailed pictures and diagrams to simplify information, have been included.

ISBN : 978-81-7739-574-7	Price : ₹ 795	Pages : 328	First Edition : 2019	Reprint : 2022
--------------------------	---------------	-------------	----------------------	----------------

## Textbook of Endodontics

**Aishwarya Kaushik** An alumnus of Maulana Azad Institute of Dental Sciences (MAIDS), New Delhi, he is presently working as a Senior Research Associate at MAIDS. He achieved All India Rank AIR-5 in AIPG (MDS), 2011 and Rank-1 in Delhi State Post Graduate (DPG) MDS, 2011 competitive exams. He also has various national and international publications to his credit.

**Salient features of the book are:**

- This book covers all the topics, for various competitive exams (NEET, AIIMS, PGI, foreign boards, etc.) in a comprehensive manner.
- Author's endeavour is to enhance clinical knowledge and to make it easy to comprehend the subject.
- Concept clarity is as given in a live lectures and demonstrations.

ISBN : 978-81-7739-593-8	Price : ₹ 750	Pages : 376	First Edition : 2020	Reprint : 2023
--------------------------	---------------	-------------	----------------------	----------------

## Practical Pathology, Microbiology and Pharmacology (Dental Students) (3rd Edition)

**Tejinder Singh** Former Director Professor and Head, Department of Pathology, Maulana Azad Medical College, New Delhi.

**K Uma Chaturvedi** Former Director Professor and Head, Department of Pathology, Maulana Azad Medical College, New Delhi.

**C P Baveja** Director Professor and Head, Department of Microbiology, Maulana Azad Medical College, New Delhi.

**Deep Inder** Professor and Head, Department of Pharmacology, Faculty of Dentistry, Jamia Millia Islamia, New Delhi.

**Salient features of the book are:**

- A complete book for practical in three subjects: Pathology, Microbiology and Pharmacology.
- All the diagnostic procedures are explained in step by step manner so that the student may perform practical independently.

ISBN : 978-81-7855-849-3	Price : ₹ 650	Pages : 280	Third Edition : 2019	Reprint : 2022
--------------------------	---------------	-------------	----------------------	----------------

## Textbook of Pathology for BDS (2nd Edition)

**A K Mandal** Director Professor and Head, Department of Pathology, Laboratory Medicine and Blood Bank, Safdarjung Hospital and Vardhaman Mahavir Medical College, New Delhi.

**Shramana Choudhury** Associate Professor, Department of Pathology, Maulana Azad Medical College and LN Hospital, New Delhi.

**Salient features of the book are:**

- The book is strictly as per the new syllabus of Dental Medical Council.
- The book is extremely student friendly and has been written in simple and easy-to-understand language.
- The flow diagrams are for quick revision and understanding.
- List of important questions has been given at the end of each chapter.

ISBN : 978-93-9410-284-2	Price : ₹ 695	Pages : 248	Second Edition : 2022
--------------------------	---------------	-------------	-----------------------

## Applied Anatomy for B. Sc. Nursing

**M K Anand** MBBS, MS, DO, PhD, DHA, ACME, FAIMER is currently working as a Professor and HOD, Department of Anatomy at Santosh Medical College (Santosh-Deemed to be University, Ghaziabad, Uttar Pradesh).

First edition of **Applied Anatomy for B.Sc. Nursing** has been written strictly according to the competency based undergraduate new curriculum policy of National Medical Commission.

**Salient features of the book are:** • Clinical correlations have been included at the end of each chapter to provide relevance to the anatomical science with respect to clinical diagnosis and treatment for the nursing students • All relevant subject content of human anatomy for nursing students have been included such as from anatomy of tissues to organs and then to different systems of the body • Illustrated clinical diagrams are added to provide a better understanding in the chapters of the lymphatic system, skeleton system, muscular system, bones, special senses, etc. • Clinical relevance is designed to stimulate the students to apply subject knowledge to correlate signs and symptoms, with anatomy of the given body part • New advances and modern concepts have been simplified and presented

ISBN : 978-81-960690-1-8	Price : ₹ 650	Pages : 296	First Edition : 2023
--------------------------	---------------	-------------	----------------------

## Handbook of Communicative English for B.Sc. Nursing

**Indira S, Ellen Beck**

The Handbook of Communicative English for B.Sc. Nursing has been written strictly as per the new competency — based semester system syllabus prescribed by the Nursing Council of India.

This book is the new go-to-go guide for all budding nurses. Ditching all the standard practices of burdening one with theories, we are have to providing them with a hands-on learning experience by focusing more on practical example. This handbook simplifies the LSRGW exercises and trains nurses how to ace them with ease.

**Here are some of the most exciting features of the current edition:**

- Balance of theory and practice. • Focus on LSRGW skills. • Graphics and comics to engage learners. • In text exercise and learning modules. • Worksheets and test papers for comprehensive assessments. • New and improved design for optimal learning.

ISBN : 978-93-9479-236-4	Price : ₹ 250	Pages : 144	First Edition : 2023
--------------------------	---------------	-------------	----------------------

## Applied Psychology for Nursing (3rd Edition)

**S K Mangal** Retired Principal, Professor and Head, Postgraduate Department, C.R. College of Education, Rohtak. He has been actively associated with writing in the field of education and psychology for more than three decades.

**Salient features of the book are:**

This new edition of **Applied Psychology for Nursing** has been written strictly as per the new competency-based semester system syllabus prescribed by the Nursing Council of India.

- Cogent and coherent style of writing. • Highly engaging text interspersed with examples, illustrations, tables, charts and practical implication. • Relevant implications of all important psychological concepts to nurses have been explained in each chapter. • Summary and assessment questions (essay and short answer type) have been provided at the end of each chapter.

ISBN : 978-93-9410-261-3	Price : ₹ 495	Pages : 328	Third Edition : 2022	Reprint : 2023
--------------------------	---------------	-------------	----------------------	----------------

### Anatomy and Physiology for Nursing (4th Edition)

A K Jain

Salient features of the book are:

- As per the revised norms laid down by the Nursing Council of India for B. Sc. (Hons.) nursing students.
- Provides basic concepts and elementary principles for a thorough understanding of the human body.
- Text presented in multicolour.
- Study questions incorporated.

ISBN : 978-93-9410-297-2	Price : ₹ 595	Pages : 360	Fourth Edition : 2018	Reprint : 2023
--------------------------	---------------	-------------	-----------------------	----------------

### Applied Physiology for B.Sc. Nursing [including MCQs] (3rd Edition)

A K Jain

This new edition of **Applied Physiology for B.Sc. Nursing** has been written strictly as per the new competency-based semester-system syllabus prescribed by the Nursing Council of India.

Salient features of the book are:

- The entire text has been thoroughly revised and updated.
- Competencies, i.e., must-know areas of the study have been added.
- More study questions have been added at the end of each chapter.
- Many clinical pictures have been added for better understanding.
- Application and implication in nursing have been highlighted separately at the end of each chapter.
- This book contains self-explanatory tables, concise short-answer questions and lucid figures.

ISBN : 978-93-9410-244-6	Price : ₹ 595	Pages : 320	Third Edition : 2022	Reprint : 2023
--------------------------	---------------	-------------	----------------------	----------------

### Nursing Informatics and Technology (Computer for Nursing) (2nd Edition)

**Ranju Sood** B.Sc. Computer Science: Delhi University, M.Sc. Computer Science: Gold medalist from Banasthli Vidhyapeeth, Rajasthan. B.Ed. M.Ed., 20 years of teaching experience in Computer Science.

This book has been written keeping in mind future need to operate the latest softwares and hardware at hospitals for efficient work handling. It is a tutorial which will help the individuals pursue a career in nursing, and benefit those who would like to have the know-how of computers and frequently used softwares.

Salient features of the book:

- This book is written as per new competency-based semester system syllabus prescribed by the Nursing Council of India.
- The book has been written according to the features of Windows 7 OS and MS Office 2010.
- It is written as per the syllabus prescribed by the Indian Nursing Council.
- The language used is simple and easy-to-understand. No prior knowledge of computers is required.

ISBN : 978-93-9410-282-8	Price : ₹ 350	Pages : 168	Second Edition : 2023
--------------------------	---------------	-------------	-----------------------

### Applied Anatomy for B.Sc. Nursing [including MCQs] (2nd Edition)

**Renu Chauhan** Director Professor & Head, Department of Anatomy, University College of Medical Sciences and Guru Teg Bahadur Hospital, Delhi.

The present book **Applied Anatomy for B.Sc. Nursing** is a competency based book and has been prepared in accordance to the curriculum prescribed by the Indian Nursing Council.

Salient features of the book are:

- Book has been written in a simple and lucid English language which is easy to understand.
- Includes content on Surface Anatomy and Anatomical position of various bones.
- Illustrations are well labelled and clearly explain the text to make the concept crystal clear.
- For practice of students, multiple choice question, fill in the blanks and short answer questions have been given at the end of each chapter.
- The book is for the use of Nursing students, teachers, serving nurses and to students of Allied Health Sciences.

ISBN : 978-93-9410-255-2	Price : ₹ 650	Pages : 320	Second Edition : 2022	Reprint : 2023
--------------------------	---------------	-------------	-----------------------	----------------

### Textbook of Medical Surgical Nursing (2nd Edition)

**S N Chugh** retired as an Ex. Senior Professor and Pro-vice-Chancellor in Pt. B D Sharma Postgraduate Medical surgical Nursing, Institute of Medical Sciences, Rohtak, Haryana. He has a vast experience of 30 years in teaching and research.

Salient features of the book are:

This book has been written in a simple and easily understandable language according to the prescribed syllabus by the Nursing council of India. • The book has 25 units and each unit has been illustrated and written in brief so as to make the subject understandable to nursing students. • The nursing processes, diagnosis and management have been discussed with each topic. • The role of the nurse and nursing responsibilities have been highlighted along with the treatments. The nursing plans of various diseases, surgery, post surgery, diagnostic procedures, etc. have been discussed with nursing assessment and nursing diagnosis. • This book will cater the needs of students and help them understand the subject easily.

ISBN : 978-93-94102-76-7	Price : ₹ 1395	Pages : 856	Second Edition : 2021	Reprint : 2022
--------------------------	----------------	-------------	-----------------------	----------------

### Applied Biochemistry for B.Sc. Nursing [including MCQs] (2nd Edition)

**S K Gupta** (M.D.) Former Professor, Department of Biochemistry, NDMC Medical College and Hindu Rao Hospital, Delhi. Former Director Professor, Department of Biochemistry, Maulana Azad Medical College, New Delhi.

This new edition of Applied Biochemistry for B. Sc. Nursing has been written strictly as per the new competency — based semester system syllabus prescribed by the Nursing Council of India.

Salient features of the book are:

- The subject matter in each chapter has been organised to help in concept building and easy understanding. To achieve this, some basic information is given in some chapters such a metabolism of carbohydrates, proteins, lipid etc. • Large number of flow diagrams, figures, tables have been added for illustration and easy comprehension of the subject. • Clinical relevance of the basic biochemical aspects is also highlighted as coloured boxes titles clinical focus in various chapters. This re-enforces the use of basic subject knowledge in patient care.

ISBN : 978-93-9479-224-1	Price : ₹ 325	Pages : 202	Second Edition : 2023
--------------------------	---------------	-------------	-----------------------

### Applied Microbiology for B.Sc. Nursing (7th Edition)

**C P Baveja** Former Professor of Excellence at Maulana Azad Medical college, New Delhi, has been teaching medical students and mentoring postgraduate students for over three decades. He has also worked as the Director Principal of BSA Medical College, Govt of NCT of Delhi.

Salient features of the book are:

- The text is user-friendly and easy to understand
- Real colour plates and diagrams have been incorporated at appropriate places.
- The textbook has been thoroughly revised as per the Indian Nursing Council syllabus.
- A new unit of Hospital Infection Control and Safety has been incorporated.
- Multiple Choice Questions (MCQs) have been added for better and in-depth understanding of the subject.)

ISBN : 978-93-9479-279-1	Price : ₹ 595	Pages : 340	Seventh Edition : 2023
--------------------------	---------------	-------------	------------------------

### Applied Nutrition and Dietetics for B.Sc. Nursing (Including MCQs) (2nd Edition)

S. K. Gupta

This new edition of Applied Nutrition and Dietetics for B.Sc. Nursing has been written strictly as per the new competency — based semester system syllabus prescribed by the Nursing Council of India.

The Salient features of the book are as under:

- The subject matter in each chapter has been organised to help in concept building and easy remembrance. • The course material is organised and presented in a point wise manner for easy remembrance and recapitulation. • Large number of flow diagrams, figures, tables have been added for illustration and easy comprehension of the subject. • Clinical relevance of the basic nutritional aspects is also highlighted as coloured boxes titles clinical focus in various chapters. This re-enforces the use of basic subject knowledge in patient care.

ISBN : 978-93-9479-227-2	Price : ₹ 395	Pages : 216	Second Edition : 2023
--------------------------	---------------	-------------	-----------------------

### Microbiology for Diploma in GNM (General Nursing and Midwifery) (3rd Edition)

**C P Baveja** Former Director Professor and Head, Department of Microbiology, Maulana Azad Medical College, New Delhi.

**V Baveja**

Salient features of the book are:

- The text is user-friendly and easy to understand • Real colour plates and diagrams have been incorporated at appropriate places. • The textbook has been updated with recent advances. • Chapters on "Healthcare Associated Infection" and "Biomedical Waste Management" have been revised as per latest guidelines. • Key points have been included at the end of each chapter for easy and quick recapitulation. • Multiple Choice Questions (MCQs) have been added for better and in-depth understanding of the subject.

ISBN : 978-93-9410-248-4	Price : ₹ 200	Pages : 72	Third Edition : 2022
--------------------------	---------------	------------	----------------------

### Textbook of Microbiology for Nursing (7th Edition)

**C P Baveja** Director Professor and Head, Department of Microbiology, Maulana Azad Medical College, New Delhi.

**Salient features of the book are:**

- This book has been written as per the requirements of B.Sc. Nursing students.
- Parasitology with easy to understand life cycles alongwith 'Flow diagram of text' has been added.
- A chapter on 'Practical Microbiology' has been added so that various microbiology techniques can be performed independently by the students.

ISBN : 978-93-9479-292-0	Price : ₹ 595	Pages : 304	Seventh Edition : 2023
--------------------------	---------------	-------------	------------------------

### Midwifery Casebook—A Practical Record Book (Hard Bound)

**Devi C G, Annie Chandra S, Arul Jothi V** Faculty at Hind Institute of Medical Sciences, Sitapur (Uttar Pradesh)

# Books for MLT and Physiotherapy

## Cumulative Practical Log Book for B.Sc. Nursing (Hardbound)

**Ram Kumar Garg** working as Professor in Department of Community Health, Teerthanker Mahaveer College of Nursing, Teerthanker Mahaveer University, Moradabad, Uttar Pradesh, India.

**Poonam Sharma** working as Professor-cum-Principal in Teerthanker Mahaveer College of Nursing, Teerthanker Mahaveer University, Moradabad, Uttar Pradesh (India).

### Salient features of the book are:

- As per the revised curriculum and useful for B.Sc. Nursing students (Semester system).
- Students friendly & easy to understand.
- Contents reviewed by most eminent nursing faculty.
- Well organised and systematically written as per the syllabus.
- Important key points were given for viva-voce and covers all the clinical area which come in curriculum.

ISBN : 978-93-9479-294-4	Price : ₹ 275	Pages : 94	First Edition : 2023
--------------------------	---------------	------------	----------------------

## Cumulative Practical Log Book for Post Basic B.Sc. Nursing

**Ram Kumar Garg** working as Professor in Department of Community Health, Teerthanker Mahaveer College of Nursing, Teerthanker Mahaveer University, Moradabad, Uttar Pradesh, India.

**Poonam Sharma** working as Professor-cum-Principal in Teerthanker Mahaveer College of Nursing, Teerthanker Mahaveer University, Moradabad, Uttar Pradesh (India).

### Salient features of the book are:

- As per the revised curriculum and useful for Post Basic B.Sc. Nursing students
- Students friendly & easy to understand
- Contents reviewed by most eminent nursing faculty
- Well organised and systematically written as per the syllabus
- Covers all the clinical area which come in curriculum
- Additional CHO clinical area were included
- Important key points were given for viva-voce.

ISBN : 978-93-9479-296-8	Price : ₹ 175	Pages : 62	First Edition : 2023
--------------------------	---------------	------------	----------------------

## Anatomy for Allied Health Sciences (2nd Edition)

**Renu Chauhan** Director Professor & Head, Department of Anatomy, University College of Medical Sciences and Guru Teg Bahadur Hospital, Delhi.

This book has been inspired by the needs of Allied Health Sciences students. The text has been kept simple yet lucid. Along with MLT courses, the text will also serve the needs for other paramedical courses like B.Sc. Radiology, Diploma in Radiography etc.

### Salient features of the book:

- Concise and reader-friendly text in a lucid manner.
- All aspects of the human anatomy are covered.
- Well-labelled diagrams to make the concepts of the subject clear.

ISBN : 978-93-9479-256-2	Price : ₹ 125	Pages : 64	Second Edition : 2023
--------------------------	---------------	------------	-----------------------

## Cumulative Practical Log Book for Diploma in General Nursing & Midwifery (Hardbound)

**Ram Kumar Garg** working as Professor in Department of Community Health, Teerthanker Mahaveer College of Nursing, Teerthanker Mahaveer University, Moradabad, Uttar Pradesh, India.

### Salient features of the book are:

- As per the revised curriculum.
- Useful for GNM students.
- Contents reviewed by most eminent nursing faculty.
- Well organised and systematically written as per the syllabus.
- Covers all the clinical area which come in curriculum
- Important key points were given for viva-voce.
- Students friendly & easy to understand.

ISBN : 978-93-9479-295-1	Price : ₹ 200	Pages : 70	First Edition : 2023
--------------------------	---------------	------------	----------------------

## Text & Practical Physiology for MLT (2nd Edition)

**A K Jain**

### Salient features of the book are:

- In line with the latest syllabus issued by MLT Council.
- Basic concepts and elements principle as used in physiology explained in a simple language.
- Examples, tables, graphs, flowcharts, diagrams and coloured photographs included.
- Learning objective clearly defined to meet the "application and implications in MLT".
- Study questions included and summarising tables incorporated.

ISBN : 978-93-9410-201-9	Price : ₹ 695	Pages : 352	Second Edition : 2022	Reprint: 2023

## Essentials of Psychology for Nursing

**S K Mangal Ph. D.** retired as Principal and Professor-Head Post Graduate Department of a well established College of Education, is a well-known teacher, administrator and researcher. As an author, he has been actively associated with writing in the field of education and psychology for more than three decades.

### Salient features of the book are:

- As per the revised curriculum.
- Useful for GNM students.
- Contents reviewed by most eminent nursing faculty.
- Well organised and systematically written as per the syllabus.
- Covers all the clinical area which come in curriculum
- Important key points were given for viva-voce.

ISBN : 978-81-7739-389-7	Price : ₹ 175	Pages : 196	First Edition : 2013	Reprint : 2023
--------------------------	---------------	-------------	----------------------	----------------

## Manual of Practical Physiology (3rd Edition)

(for Physical Therapy, Occupational Therapy, MLT and Other Allied Courses)

**A K Jain**

### Salient features of the book are:

- In line with the prescribed guidelines.
- Presents working steps in a simplified manner even a beginner can handle the experiments.
- Important viva-voce questions with answer given.
- Objectives structured practical examination (OSPE) questions have been incorporated.
- Numerous diagrams and actual record have been appendix.
- Frequently asked spots given in a separate appendix.
- Important topics covered grouped under: (i) Haematology Experiments (ii) Nerve and Muscles Experiments (Frog), and (iii) Human Experiments.

ISBN : 978-81-19336-08-1	Price : ₹ 450	Pages : 208	Third Edition : 2023
--------------------------	---------------	-------------	----------------------

### Text and Practical Microbiology for MLT (3rd Edition)

**C P Baveja**

**V Baveja**

**Salient features of the book are:**

- Point-wise explanation of various topics of Microbiology, i.e., bacteriology, immunology, virology, mycology, parasitology and clinical microbiology.
- A unit on 'Practical Microbiology' includes the methods of all microbiology tests performed by medical laboratory technologists. This will be useful for day to day laboratory work.
- For control of hospital acquired infections, a topic 'Hand Hygiene' has been incorporated.

ISBN : 978-93-9410-267-5	Price : ₹ 695	Pages : 368	Third Edition : 2019	Reprint : 2023
--------------------------	---------------	-------------	----------------------	----------------

### Textbook of Pathology for MLT

**A K Mandal, Shramana Choudhury**

The book has been written keeping in view the needs of the Indian MLT students who lack information on the incidences of a disease of our country. This book aims to provide region and country-specific data.

**Salient features of the book are:**

- The book covers some of the recent developments in the field of Pathology, particularly in Immunopathology and Molecular Pathology.
- The language of the book has been kept simple and lucid so as to understand the scientific jargons.
- Several attempts have been made to make content understandable by representing the information in the form of flow diagrams.

ISBN : 978-81-7739-591-4	Price : ₹ 350	Pages : 168	First Edition : 2020	Reprint : 2022
--------------------------	---------------	-------------	----------------------	----------------

### Human Physiology for Physiotherapy (4th Edition)

**A K Jain**

**Salient features of the book are:**

- Written strictly as per the latest syllabus of physiology for physiotherapy students prescribed by the council.
- Function of human body presented in a simplified language with attractive visual.
- Well-labelled diagrams, new concepts, latest development included.
- Important notes put separately in boxes.
- Text presented point-wise.

ISBN : 978-93-9410-240-8	Price : ₹ 950	Pages : 552	First Edition : 2002	Fourth Edition : 2022
--------------------------	---------------	-------------	----------------------	-----------------------

### Textbook of Microbiology for Physiotherapy (3rd Edition)

**C P Baveja** Director Professor and Head, Department of Microbiology, Maulana Azad Medical College, New Delhi.

**V Baveja**

**Salient features of the book are:**

- Point-wise explanation for quick recapitulation.
- A complete unit on clinical microbiology has been included to understand the role of microbiology in patient care.
- Life cycles of parasites are presented in form of 'Flow diagram of text' for easy understanding.

ISBN : 978-93-9410-298-9	Price : ₹ 650	Pages : 312	Third Edition : 2022	Reprint : 2023
--------------------------	---------------	-------------	----------------------	----------------

### Pharmacology for Physiotherapy

**S K Srivastava, Rohan Srivastava**

This book is written as per the current requirement of Physiotherapy students, providing a clear, comprehensive and concise account of commonly used drug relevant to them. It is user-friendly, written in simple language and is suitable for BPT and other students studying Pharmacology.

**The salient features of the book are:**

- The basic concepts have been clarified with generalisations for better understanding and mechanisms have been explained briefly in each chapter.
- The clinical uses of commonly used drugs, their adverse reactions, the common medical emergencies, relevant drug interactions and use/misuse of drugs in sports have been mentioned briefly with explanation/justification wherever applicable.
- Important notes, important facts and reasoning commonly evaluated in examination have been mentioned throughout the text to highlight certain generalisations and key points and to prepare for examination.

ISBN : 978-81-7739-590-7	Price : ₹ 495	Pages : 432	First Edition : 2020	Reprint : 2022
--------------------------	---------------	-------------	----------------------	----------------

### Textbook of Pathology for Physiotherapy

**A K Mandal, Shramana Choudhury**

**Salient features of the book are:**

- As per the needs of the Indian students who lack information on the incidences of a disease of our country and aims to provide region and country-specific data.
- The language of the book has been deliberately kept simple and lucid so as to understand the scientific jargons.
- Several attempts have been made to make pathogenesis easily understandable to the students by representing the information in the form of flow diagrams.
- Covers some of the recent developments in the field of Pathology, particularly in Immunopathology and Molecular Pathology.

ISBN : 978-81-7739-588-4	Price : ₹ 295	Pages : 160	First Edition : 2020	Reprint : 2022
--------------------------	---------------	-------------	----------------------	----------------

### Psychology for Physiotherapy

**S K Mangal** Ph.D retired as the Principal and Professor-Head of Department of Postgraduate Studies, C. R. College of Education, Rohtak.

**The salient features of the book are:**

In a harmonious blend of theory with practice, the book provides a valuable insight into the nature, background and application of the subject 'psychology' in the form and way as needed by physiotherapists and students of Physiotherapy.

- Cogent and coherent style of writing.
- Highly engaging text interspersed with examples, illustrations, tables, charts and practical implications.
- Relevant implications of all important psychological concepts to physiotherapists have been explained in each chapter.
- Summary and assessment questions (essay and short answer type) have been provided at the end of each chapter.

ISBN : 978-93-9479-206-7	Price : ₹ 450	Pages : 336	First Edition : 2021	Reprint : 2023
--------------------------	---------------	-------------	----------------------	----------------

### Microbiology for Allied Health Sciences

**C P Baveja, V Baveja**

**The salient features of the book are:**

- The content is user-friendly and easy to understand
- New topics have been added as Biochemical Waste Management, Hand Hygiene and National Immunisation Schedule have been incorporated as per the latest guidelines.
- Colour Pictures/diagrams and tables have been incorporated to provide useful information.

ISBN : 978-93-94792-46-3	Price : ₹ 200	Pages : 72	First Edition : 2023
--------------------------	---------------	------------	----------------------

### Sociology and Psychology for Physiotherapy

**P R Nalini** M.S.W, M.Sc Psychology is presently working as a visiting professor in a college of physiotherapy and nursing institutions in Nellore, A.P., India. She has participated in several conferences and presented papers in 4th and 5th International Stress Management (ICSM 2017, 2018) and poster presentations in Trauma Conclave-2018, AIIMS (New Delhi) in collaboration with the Ministry of Women and Child Welfare Development, She is the author of 'Principles of Sociology for Graduate Nurses' and 'Principles of Psychology for Graduate Nurses'.

**The salient features of the book are:**

- The entire book is up-to-date according to the current concepts of the subjects of sociology and psychology in the physiotherapy courses.
- The diagrams are presented with examples for easy understanding of the topics in general psychology and sociology.
- This book is not just theory-oriented but also deals in all aspects of practical knowledge.

ISBN : 978-93-94102-94-1	Price : ₹ 395	Pages : 200	First Edition : 2023
--------------------------	---------------	-------------	----------------------

# Books for Pharmacy/Ayurveda/ Homeopathy and Other Useful Books

## Basic Anatomy and Physiology (4th Edition)

**A K Jain**

**Salient features of the book are:**

- For student in health-related profession such as medicine, dentistry, nursing, occupational therapy (OT), physiotherapy (PT), medical laboratory technology (MLT) and other branches of medical sciences.
- Presents the essential facts of the basic of human anatomy and physiology in a precise, simple easily understanding languages.
- Text has been presented in multicolour and illustration, tables, graphs and flowcharts.

ISBN : 978-93-9410-224-8	Price : ₹ 595	Pages : 360	Fourth Edition : 2018	Reprint : 2022
--------------------------	---------------	-------------	-----------------------	----------------

## Human Anatomy and Physiology for Pharmacy (3rd Edition)

**A K Jain**

**Salient features of the book are:**

- As per the curriculum of the Pharmacy Council of India.
- Introduces basic concepts and principle important for the understanding of the human body.
- A large number of study questions included.
- New summarising tables, well-labelled figures/photographs and clinical pictures incorporated.
- Common systemic disorders included.

ISBN : 978-93-9479-221-0	Price : ₹ 595	Pages : 360	Third Edition : 2017	Reprint : 2023
--------------------------	---------------	-------------	----------------------	----------------

## Pharmacology for Pharmacy Students

**S K Srivastava**

**Rohan Srivastava**

**Salient features of the book are:**

- The basic concepts have been clarified with generalisations for better understanding and mechanisms have been explained briefly in each chapter.
- The clinical uses of commonly used drugs, their adverse reactions, the common medical emergencies, relevant drug interactions and use/misuse of drugs in sports have been mentioned briefly with explanation/justification wherever applicable.

## Physiology for Homeopathy (Volumes I and II)

**A K Jain**

**Salient features of the book are:**

- Provides a complete and in depth coverage of the subject for students in various disciplines of the medical profession, especially homeopathy students.
- Entire text presented in simple and lucid language.
- New and modern concepts along with many clinical pictures incorporated.
- Study questions (including MCQs) added with many long structured questions.

**VOLUME I** includes General Physiology, Blood, Nerve, Muscle Physiology, The Digestive System, The Cardiovascular System (CVS), The Respiratory System and The Excretory System.

**VOLUME II** includes Metabolism and Nutrition, The Endocrine System, The Reproductive System, The Nervous System and The Special Senses.

ISBN : 978-81-7739-582-2 (Set)	Price : ₹ 1250 (Set of two volumes)	Pages : 640 (Vol. I) 564 (Vol. II)	First Edition : 2019	Reprint : 2022
--------------------------------	-------------------------------------	------------------------------------	----------------------	----------------

## Manual of Practical Physiology for Allied Health Sciences

**A K Jain**

**Salient features of the book are:**

1. It furnishes basic information about physiological experiments and lays a consistent emphasis on their every aspect.
2. All the experiments in the manual are classified as student exercises; working steps are so framed that any experiment can be handled by a beginner.
3. Well-labelled diagrams, pictures and graphs/records depicting analyses and reasonings have been incorporated in this manual.
4. Some of the important viva-voce questions with answers are given at the end of each practical. This will give an idea to the students regarding the type of questions asked in the examination.

ISBN : 978-93-9479-235-7	Price : ₹ 400	Pages : 336	Third Edition : 2023
--------------------------	---------------	-------------	----------------------

## Forensic Medicine and Toxicology for Homeopathy

**Anil Aggrawal** Former Director Professor Deptt. of Forensic Medicine and Toxicology, Maulana Azad Medical College, New Delhi.

This is a student-friendly book for homeopathy students. This is the first book, which states the new MTP (Amendment) Bill, 2014, which allows even homeopathic practitioners to conduct the Medical Termination of Pregnancy.

**Salient features of the book are:**

- Information has been presented in a logical, systematic and descriptive manner.
- About 200 memory aids – flagged off in the margins with a special logo – have been added.
- The core principles of Forensic Medicine and Toxicology have been explained in an examination-friendly style.

ISBN : 978-81-7739-497-9	Price : ₹ 995	Pages : 720	First Edition : 2016	Reprint : 2022
--------------------------	---------------	-------------	----------------------	----------------

## Modern Physiology for Ayurveda (Text & Practical) (2nd Edition)

**A K Jain**

**Salient features of the book are:**

- Summarises the current state of knowledge about the functional organisation of the human body.
- Provides the fundamental principle and underlying facts of human physiology.
- Study questions included as per guidelines issued by the National Medical Commission.
- Applied aspects of clinically-related topics have also been discussed.

ISBN : 978-93-9410-283-5	Price : ₹ 595	Pages : 360	First Edition : 2019	Second Edition : 2022
--------------------------	---------------	-------------	----------------------	-----------------------

## Forensic Medicine and Toxicology for Ayurveda

**Anil Aggrawal** Former Director Professor Deptt. of Forensic Medicine and Toxicology, Maulana Azad Medical College, New Delhi.

This is a student-friendly book for Ayurveda students. This is the first book, which states the new MTP (Amendment) Bill, 2014, which allows even Ayurvedic practitioners to conduct Medical Termination of Pregnancy.

**Salient features of the book are:**

- Information has been presented in a logical, systematic and informative manner.
- About 200 memory aids have been added to make memorisation quick and easy.
- The core principles of Forensic Medicine and Toxicology are explained in an examination-friendly style which Ayurveda students will find useful.

ISBN : 978-81-7739-496-2	Price : ₹ 995	Pages : 720	First Edition : 2016	Reprint : 2022

## Journey of COVID in India (2nd Edition)

**S K Gupta** MBBS, MD(Med.), FICP, CFM (France), Visiting Senior Consultant Physician and Internist, Max Super Speciality Hospital, Secretary, Community Health Care Foundation, Director, Shivam Nursing Home, Clinical Assistant Professor, GS Medical College, CCSU, Uttar Pradesh.

The coronavirus pandemic has been an unprecedented situation of the century. It brought fear and uncertainty. Everyone looked with curiosity and hope as the new events unfolded. People had to adapt to new ways of living. Initial resistance to the new restrictions slowly became a way of life. In the beginning, physicians had no knowledge of the disease, symptoms, diagnosis, treatment, or prevention protocols. But the society looked up to them to rescue mankind from the clutches of the virus. And the doctors, too, jumped into the fray, leaving no stone unturned to save lives. In the process, many seniors, juniors, and colleagues were lost to the virus. It has been a very painful aspect of the pandemic. Friends and colleagues found the analysis exciting and loved the synopsis. Many said it was great learning experience for them. The book takes you through the whole medical journey of the pandemic and would serve as a learning experience as we go back in time.

ISBN : 978-93-94102-75-0	Price : ₹ 650	Pages : 316	Second Edition : 2022

- Students are deprived of latest information on the subject and their knowledge is not updated.

#### **❖ LOSS TO THE AUTHORS**

- The authors are deprived of their genuine royalty due to sale of duplicate/ pirated books.

#### **❖ LOSS TO THE PUBLISHERS**

- Publishers are deprived of return on their investments.

#### **❖ LOSS TO THE GOVERNMENT**

- Government is deprived of their rightful revenue in form of GST and other taxes.

#### **❖ LOSS TO THE SOCIETY**

- Buying and selling of pirated/duplicate books encourage corruption in the society.
- So, let us all join hands to stop this immoral and unethical practice and purchase only genuine books. Let us respect the law of the land and avoid prosecution by resorting to unlawful activities.

Please cooperate in the noble cause.
